20th Reunion Of Mahoning School Has Been Planned

Annual Event Will Take Place During First Week Of August

Following recent committee meetings, held in the home of Mrs. Bessie Coates Pitzer and Robert Sheehy, plans have now been completed for the 20th reunion of former pupils of the old Mahoning School, which will be an event of Wednesday, August 3 at the school house on North Cedar street, starting at 2 p.m. A basket picnic dinner will follow in the Mahoning Methodist church at 6 p.m.

In addition to a period of reminiscence, and a program, there will be a memorial service honoring those who have passed on, and a business meeting for the election of officers.

The present officers are: President, Robert Sheehy; William Weitz, vice president, secretary, William McGaughey, Akron, O.; treasurer, Raymond Horchler.

Robert Magill is general chairman, with Mrs. John Louer, Mrs. William Bollinger, Mrs. Bessie Coates Pitzer, and John Louer, members of the general committee on arrangements.

Reunions are always happy occasions when one goes back to the friends of his boyhood, and the aim of the committee this year is to make the coming event a joyous one.

All those who attended the old brick school before the fire, are being urged to come back for this year's event, and a record attendance is anticipated.

Gasoline Pump Catches Fire

Explosion Causes Spectacular Blaze Here On Sunday Evening

Firemen were called to the Walters Sinclair gasoline station at 29-33 N. Jefferson street, Sunday evening at 7:55 o'clock, when gasoline in one of the pumps exploded, due to it is believed to a short circuit in the wiring. Damage of around \$200 was done, and Assistant Chief Norman A. McFarland suffered slight burns of the hands in fighting the blaze. Chief H. F. Steinbrink states.

Firemen were called to the Mathers Jewelry store on East Washington street at 6:40 a. m. today, when sidewalk sweepings in an unused coal chute were set afire by a cigarette. There was no damage.

At 5:45 p. m. Saturday, an alarm from Box 59 called firemen to the home of Louis Maslik, when some meat in a pot on the stove burned dry. Mrs. Maslik suffered burns of the hands in trying to remove the pot, and was given first aid treatment by the firemen.

Trains Sideswipe At Conneautville

Wrecking Crews From New Castle Called To Help Clear Tracks On Sunday

Two Pennsylvania railroad freight trains figured in a sideswiping accident Sunday morning at the Conneautville station, in Conneautville, Pa., upsetting the two engines and derailing three freight cars.

One of the trains had pulled off on a siding while the other was passing when the accident happened.

One person, a flagman from Erie, Pa., received minor injuries.

Wrecking crews from the New Castle division of the Pennsylvania railroad were called to help clear the tracks.

Capacity Crowds At Camp Meeting

Rain failed to keep the attendance down at the Free Methodist camp meetings on Sunday with capacity crowds at each service it was reported. The large tabernacle tent was filled for morning, afternoon and evening services.

A missionary rally was conducted in the afternoon, with a missionary from Africa being heard while Rev. G. E. Zike of Akron being heard in the evening.

This evening, Rev. J. E. Hollister of Chicago will be heard in the evangelistic service. Rev. Zike was heard in the afternoon meeting and Rev. Hollister in the morning service. Special music was in charge of William Jameson, of Sharpsville, song leader.

The camp services will continue throughout this week with services daily. The closing meetings will take place next Sunday. Rev. Paul Spittstone is in charge of the camp.

Railroad Shop Workers Go Back To Work Today

Pennsylvania railroad shop workers numbering about 145, off work for over a month, returned to work at the New Castle division shops in the Seventh Ward today.

Those workers receiving their physical checkups Saturday started to work this morning and those receiving them today started to work as soon as their checkups were completed.

Physical examinations are required before returning to work after a layoff of 30 days or more.

LARGE CROWD ATTENDS UNITED PLANT PICNIC

agreement threatened a nationwide steel strike last Saturday. The walkout was averted when both sides agreed to continue operations for 60 days while the presidential board of inquiry studied the controversy.

First question to come before the board probably will be the pension issue.

The industry insists that pensions are not a matter for negotiation until the overall steel contract expires next spring.

Under terms of the existing agreement, the union was permitted to reopen it this summer for a discussion of wages. The steelworkers contend that pensions are a form of wages and therefore a negotiable issue under the present reopening of the contract.

Sen. Watkins (R) Utah, a pact opponent, claimed that Pepper's argument gave powerful support to a reservation he has proposed.

"It would prevent use of American troops to repel an attack on a signatory nation without specific authorization by congress. It would reaffirm that the United States cannot be thrown into war except by a congressional declaration."

Sen. Martin (R) Pa., a major general, announced he will vote for the treaty, which he said may be recorded in history as "one of the most important steps ever taken for the preservation of peace."

O'CONNOR-OSWALD

SUMMER WEDDING

One of the loveliest of the summer weddings took place at St. Mary's church on Saturday morning, July 16, when Miss Agnes O'Connor, daughter of Mr. and Mrs. James J. O'Connor of 308 East Reynolds street, this city, became the bride of Carl J. Oswald, son of Eugene J. Oswald of Chicago, Ill.

With an altar embanked with white gladioli and white carnations and flanked by candelabra as a setting, the young couple exchanged nuptial vows at 10 a. m. Ferns and palms bedecked the entire sanctuary. The bride's brother, Rev. Fr. James P. O'Connor, officiated at the impressive double ring ceremony in the presence of a large gathering of friends and relatives.

To the strains of nuptial music, the bride was given in marriage by her father. She was charmingly attired in a white gown of Brussels lace. She sheer yoke of nylon joining a ruffle, edged with seed pearl embroidery, set off the fitted bodice. The full lace skirt over satin, fell into a long double train of ruffled net and lace, and full length sleeves tapered to points at the wrists. Her fingertip veil of French illusion was caught in a beanie effect cap of satin and lace. She carried a heart-shaped bouquet of white roses, centered with a white orchid. The bride wore a single strand of pearls, a gift of the groom, as her only jewelry.

Miss Nancy Lehman, as maid of honor, was attractive in a gown of yellow marquisette, fashioned with a fitted bodice and long waist of yellow lace. She wore yellow lace mitts and a heart-shaped head-dress of yellow marquisette, trimmed with dainty yellow flowers. A heart-shaped bouquet of yellow roses was carried by the maid of honor.

John V. Clouse served his cousin as best man. Ushers were John M. O'Connor, brother of the bride, and Gerald Oswald, a brother of the groom.

Mrs. Wanda Giamone, church organist, played a recital of appropriate nuptial selections during the ceremony, and the ceremony sang the Mass and the "Ave Maria."

Immediately following the ceremony, there was a congratulatory period at the church, after which a wedding breakfast was served at the Castleton for the immediate families and relatives of the bride and groom.

An informal reception followed in the home of the bride's parents. Aides were Mrs. V. E. Gallagher of Bernuda, sister of the bride, and the Misses Mary Heibley and Josephine Tesone.

The newlyweds then left on a wedding trip by motor to points west, and upon their return will reside at 1105 Highland avenue, this city.

Mrs. Oswald, a graduate of the New Castle High School, attended Youngstown College and is at present employed in the Operations Department of the Pennsylvania Power Co. Mr. Oswald, a graduate of Butler High School, is employed in the storehouse of the Pennsylvania Power Co.

Next regular meeting will be held on July 21 at the home of Mrs. John Sandullo of Lutton street.

WEDS N. CUSCINO, JR.

One of the loveliest of summer weddings was performed Saturday morning in St. Vitus church, uniting in marriage Miss Josephine Mazzei, daughter of Mr. and Mrs. Charles Mazzei of 309 Lutton street and Norman Cuscino, Jr., son of Mr. and Mrs. Norman Cuscino, 1015 Huey street.

Vows were exchanged by the young couple during the nuptial high mass at 9 o'clock. Rev. Fr. Nicholas DeMita officiating. He used the double ring ceremony in the presence of many friends and relatives, and before an altar embanked with flowers and ferns.

Given in marriage by her father, the bride was charming in a gown of imported chintilly lace over slipper satin with a high neckline and Peter Pan collar. The gown had a nylon yoke, deep shoulders edged with a rosette beading, bishop's sleeves, an empire waistline and a bouffant skirt which ended in a cathedral trail. Her veil of silk imported French tulle was hand rolled and was caught with a beaded halo. She carried a gorgeous colonial array of five white orchids and lilies of the valley, also wore the traditional something old, something new, something borrowed and something blue.

Miss Leonore Colella, as maid of honor, wore a white organdy gown with yellow underskirt and a matching white organdy picture hat trimmed with yellow braid. She carried yellow roses and baby's breath.

Bridesmaids Joanne Cuscino, the bridegroom's sister, Sylvia Graziani, Bernice Kusmierz and Terry Santangelo, wore white organdy gowns with green underskirts and white organdy picture hats trimmed with green braid. They carried bouquets of yellow roses and baby's breath. Junior bridesmaids, Mary Ann Scungio and Madeline Merando were gowns designed by Mrs. Rose Scungio that were of white organdy, yellow underskirts and white organdy picture hats with yellow braid. The attendants' hats were designed and made by the bride's aunt, Mrs. Mary Sands.

Tom Cuscino served his brother as best man. Ushers were Phillip Carlo, Reggie, Troglio, Michael Scungio and Gildo Santangelo.

A congratulatory period at the church was followed by a wedding breakfast served in the Sons of Italy hall. A wedding dinner was enjoyed by guests numbering 150 in a local tearoom at 1 p. m., the nuptial theme predominating.

JOSEPHINE MAZZEI

WEDS N. CUSCINO, JR.

One of the loveliest of summer weddings was performed Saturday morning in St. Vitus church, uniting in marriage Miss Josephine Mazzei, daughter of Mr. and Mrs. Charles Mazzei of 309 Lutton street and Norman Cuscino, Jr., son of Mr. and Mrs. Norman Cuscino, 1015 Huey street.

Vows were exchanged by the young couple during the nuptial high mass at 9 o'clock. Rev. Fr. Nicholas DeMita officiating. He used the double ring ceremony in the presence of many friends and relatives, and before an altar embanked with flowers and ferns.

Given in marriage by her father, the bride was charming in a gown of imported chintilly lace over slipper satin with a high neckline and Peter Pan collar. The gown had a nylon yoke, deep shoulders edged with a rosette beading, bishop's sleeves, an empire waistline and a bouffant skirt which ended in a cathedral trail. Her veil of silk imported French tulle was hand rolled and was caught with a beaded halo. She carried a gorgeous colonial array of five white orchids and lilies of the valley, also wore the traditional something old, something new, something borrowed and something blue.

Miss Leonore Colella, as maid of honor, wore a white organdy gown with yellow underskirt and a matching white organdy picture hat trimmed with yellow braid. She carried yellow roses and baby's breath.

Bridesmaids Joanne Cuscino, the bridegroom's sister, Sylvia Graziani, Bernice Kusmierz and Terry Santangelo, wore white organdy gowns with green underskirts and white organdy picture hats trimmed with green braid. They carried bouquets of yellow roses and baby's breath. Junior bridesmaids, Mary Ann Scungio and Madeline Merando were gowns designed by Mrs. Rose Scungio that were of white organdy, yellow underskirts and white organdy picture hats with yellow braid. The attendants' hats were designed and made by the bride's aunt, Mrs. Mary Sands.

Tom Cuscino served his brother as best man. Ushers were Phillip Carlo, Reggie, Troglio, Michael Scungio and Gildo Santangelo.

A congratulatory period at the church was followed by a wedding breakfast served in the Sons of Italy hall. A wedding dinner was enjoyed by guests numbering 150 in a local tearoom at 1 p. m., the nuptial theme predominating.

An evening reception at 7:30 o'clock in the King Humbert hall

was held for approximately 500 guests.

Mr. and Mrs. Cuscino departed later on a wedding trip to New York and Canada and upon their return will reside at 309 East Lutton street.

Mrs. Cuscino, a graduate of New Castle High school, Class of June, 1945, is employed at the Novelty Manufacturing company. Mr. Cuscino, a graduate of New Castle High school, June '45, is attending Youngstown college.

WEDS MILDRED WINK

WEDS RALPH BOTT

Miss Mildred Marlene Wink, daughter of Mr. and Mrs. Robert J. Wink of West Washington street extension, presented a charming picture for her marriage to Ralph Eugene Bott, son of the late Mr. and Mrs. Oscar Bott of Continental, O., which was solemnized Saturday evening, July 16, in the Matland Memorial Primitive Methodist, before an altar festively arranged with palms, ferns, white gladioli, and white tapers.

Rev. H. O. Fichter, pastor of the church, read the nuptial service, using the double ring service.

The bride's father gave her in marriage and she appeared in a white marquisette gown fashioned with a sheer yoke and embellished with alternate ruffles of marquisette and Chantilly lace. The skirt terminated in a sweeping train. Her fingertip veil was caught to a coronet of orange blossoms and Chantilly lace. The traditional something old, new, borrowed and blue was carried out and her only jewelry consisted of a pearl cross, a gift of the groom.

Her flowers were an arm bouquet of white roses centered with an orchid.

Mrs. George Wisner of Saginaw, Mich., honor matron for her sister, was attired in yellow marquisette styled similarly to the bride's and

accounted by matching mitts and a large picture hat. She carried pink roses.

Bridesmaid, Miss Dorothy Reid was groomed identically in orchid marquisette. Little Miss Shirley Richardson, as flower girl, was attired in green organdy.

Vivian Bott of St. Paris, O., brother of the groom, served as best man. Ushering were George Wisner of Saginaw, Mich., and Howard T. Wilcox, this city.

Mrs. Ira Blair, organist, accompanied soloist Rev. Everett Spring, as he sang "I Love You Truly," "Because" and "The Lord's Prayer."

A wedding reception followed at the home of the bride's parents. Mrs. Paul Allen and Mrs. Olive George poured and the sides were members of the bride's Sunday school class.

The bridal couple left on a wedding trip to an undisclosed destination. Upon their return, they will reside with the bride's parents.

Mrs. Bott is a graduate of Union High school with the class of 1947 and is employed at the New Castle Store. The bridegroom was graduated from high school in Continental, O., served three years with the U. S. Navy, and is employed at the United Engineering company.

Students Must Meet Requirements For Compensation Pay

Veterans In Schools Must Be Able and Available For Suitable Work

HARRISBURG, July 18.—(INS)—The Bureau of Employment and Unemployment Compensation Saturday reminded veterans seeking jobless pay in addition to G.I. schooling subsistence benefits that they must meet standard eligibility requirements.

Director A. J. Caruso explained that although a recent ruling allowed veterans to collect both subsistence and unemployment benefits, each ex-serviceman seeking simultaneous payments must comply with requirements which apply to any other claimant.

The dual-payment ruling was handed down by the Unemployment Compensation Board of Review in the case of Harold P. Ganz, of Scranton. The board contended that subsistence payments by the Federal government to veterans enrolled in a G.I. approved school were not wages or remuneration for services, thus not disqualifying veterans for jobless benefits.

Tests For Eligibility
Caruso pointed out, however, that the ruling emphasized that each claimant must meet all the tests for eligibility set up in the state unemployment compensation law. They are:

1. He must previously have earned a certain minimum amount in work covered by the UC law.
2. He must not be unemployed through any fault of his own or through direct interest in an industrial dispute.
3. He must be able and available for suitable work. (Thus when offered a suitable job, a full-time student would be required to leave school and accept it.)
4. He must not be employed or be receiving any wages or remuneration for services.
5. He must register for work and file an application for benefits at his local state employment office and must report to the office at least once weekly.

ings, the arrangement of the streets and the forethought that led to the wide thoroughfares and the innumerable small parks, all of which play an important part in offsetting the disadvantages of the humidity and other climate discomforts.

One has to think for a moment what Washington would be like had it been laid out and built with as little regard to plan, comfort and convenience as is in evidence in scores of cities that have been established in more recent years, even with the knowledge of modern planning, that was not available in the closing years of the eighteenth century.

RECALL WORKERS

ENOLA, Pa., July 18.—(INS)—The Pennsylvania railroad today recalled 260 workers to the Enola repair shops after a furlough lasting more than one month.

Approximately 500 men were furloughed early in June and recalls will be made according to seniority, the PRR reported.

THE PARENT PROBLEM

(Continued from Page Four)

what I have planned to write her, only you have said it better than I could have said it without hearing your remarks. And I think I should write a column around this letter before I go to bed."

"Well, Dad, I think you can do a lot of good," said my young son as he went off to bed.

Since then I have prepared a special bulletin, "Some Psychology of Bed-Wetting" (to be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.). If you have a child over five or six who still wets the bed, assure him you will never again scold or shame him for waking wet. If he wakens dry occasionally, all you will need to do is to celebrate his victories. If there are no events to celebrate (and he has been checked by your physician) provide him bed with a rubber sheet, get a good alarm clock, have him help you set it, guessing at the right time with you. Be on hand when it rings to make sure it wakens him, until he habitually wakens alone as it rings. Then induce him to lengthen the intervals gradually as he succeeds with the shorter intervals. Make him feel he has nothing at all to worry about and that he is just as worthy and important as any other member of the family. Treat him from now on as a real person.

Marvin Appointed Assistant Director Of Bonds Division

James W. Marvin has been appointed assistant state director of the United States Savings Bonds division for Pennsylvania, Ramsey S. Black, state director, announced today.

Marvin, who was formerly community director of the state board organization, had been serving as acting state director for the past 15 months, which included successful promotion of the Security Drive and Opportunity Drive. He has been a member of the bond staff since 1942.

A resident of Philadelphia, Mr. Marvin is a member of the Philadelphia bar and was formerly with the State Banking department and an official of the Philadelphia Saving Fund society. He is graduate of the University of Pennsylvania.

Father Spending \$2,000 To Bring Family Together

ANGLA, Ind., July 18.—(INS)—A Wheaton, Ill., father, who missed the fellowship of his family, scattered from Connecticut to California, is spending \$2,000 to bring them all together again for a vacation-reunion.

Twenty-two members of the family of Mr. and Mrs. Thomas P.

Kellogg, of Wheaton, gathered at Potawatomi inn in Pokagon State Park this week after the father sent his five children and their families train and pullman tickets. The family head, who is in the insurance and tax accounting business in Chicago, said:

"It will cost me over \$2,000 but that is a small factor in the good to be derived to each individual and to us all collectively as we enjoy this family fellowship and loyalty."

His three daughters and two sons are scattered over the nation.

Author While In Jail; Faces Charge Of Forging Checks

DETROIT, July 18.—(INS)—When 47-year-old Reuben Freedman is in prison he writes articles for magazines—and during his 25 years behind bars he has sold a number of leading publications.

But when he is out of jail, police say, Freedman's literary efforts are normally confined to writing other people's names—on checks.

If federal authorities can prove their charges Freedman will soon be back at his more legitimate profession as a magazine writer.

He was arraigned in Detroit on three counts of rifling the mails for checks, forging endorsements on them and passing them in downtown stores.

Government attorneys allege Freedman and a confederate have

stolen and cashed checks worth \$15,000 since Freedman was released from Michigan's Marquette prison 10 months ago.

Author Freedman chose to face a federal charge of robbing the mails over a local forgery charge. During his last stay in Marquette Freedman wrote several articles strongly criticizing the state prison set-up, and it seems he fears his welcome would be somewhat less than warm should he be returned.

Henry Home Reunion Enjoyed On Sunday

Former Residents Of Home Join With Present Members For Happy Event Sunday

More than 30 former residents of the Margaret L. Henry Children's Home came to the Home on Sunday to join the annual reunion event which took place Sunday morning at the home.

The early part of the day was spent informally and shortly after noon a sumptuous dinner was served to the guests and present members of the home. During the dinner, the group was surprised with the arrival of Evangeline Wager, of Warren, Ohio, adopted daughter of the late Margaret L. Henry. She, the oldest former Home member, was awarded a token due to being present for the day.

Following dinner, various games were played by the group. Prizes were awarded to Mr. and Mrs. Charles Stanchiu, of Illinois, who came the longest distance. William Gray, a special guest, Mr. Gray was aided in preparation for the event by several boys of the home and was given invaluable assistance by Mrs. Lida J. Green, matron and her assistant, Mrs. Bertha Patterson. Mr. Gray was named chairman of next year's event.

Governor Reviews Guardsmen At Camp On Sunday

INDIANTOWN GAP, Pa., July 18

(INS)—Seven thousand Pennsylvania and Virginia National Guardsmen turned today to training chores on the muddy Indiantown Gap Military Reservation after a rain-drenched Sunday review for Gov. James H. Duff and top ranking officers.

The 105 Howitzers of the 10th Corps Artillery will fire today a "time on target" problem designed to reduce a simulated enemy strong point to rubble.

The Artillery unit, mainstay of the PNG's non-divisional troops starting the last week of the two-week training period, will highlight its maneuver tomorrow by firing radio-controlled shells designed to explode on contact when waves emanating from the tiny mechanism contact any object in the trajectory.

The 11,000 troops of the 28th Infantry Division, backbone of the PNG, open a two-weeks encampment July 30.

The Optimist Club of New Castle will hold its regular bi-monthly dinner meeting Wednesday night at the Leslie Hotel.

Time of the dinner is 6:30. Picnic arrangements for the Sunday, July 31, outing at Pearl's "Jello" Camp will be made and Orange Crate Derby plans discussed.

The committee has also engaged and interesting speaker for the meeting.

CYCLIST HURT

Nine year old Tommy Baker, of 206 South Mulberry street, was injured by riding downhill on his bicycle, Sunday at 12 noon. His right elbow struck a passing auto. The youth's elbow was X-rayed in the New Castle hospital. Later he was discharged.

French Red Leader Issues Defiance

PARIS, July 18.—(INS)—French Communist leader Jacques Thorez today issued defiance of the papal excommunication of Catholic Communists, and declared "it will not halt our effort to unite men of good will."

Thorez, in a speech at Grenoble, said that the French Communist party will continue its policy of giving its "outstretched hands" to the Catholics.

First Baptists Have Picnic On Saturday

Have Races, Contests, Swimming At El Rio Beach: Program In Evening

There were 343 members of the First Baptist church and Sunday school present at the annual picnic from 2 o'clock to 9 at El Rio beach on Saturday.

In the afternoon there were mulligan games, swimming, roller skating, horseshoe pitching and large swings for the grownups; merry-go-round, flying Jennys and small swings for the kiddies.

The races and contests were in charge of Jack Griffith, chairman, and Ralph Hay, with the following winners: J. Grossman, Judy Cooper, Tommy Grossman, Shelton Hurst, Janet Nagle, Barney Reno, John Chapman, David Hurst, Butch Anderson, Frank Reno, Peter Hammond, Charles Craven, David Grossman, Beverly and Barbara Capitola, Barbara Hill, Doris Grossman and Woody Anderson.

Butch Anderson and Frank Reno took the boys' wheelbarrow race, while Barbara and Patsy Capitola won the girls' wheelbarrow race. Sandy Corbett and P. Logan captured the goody races. Mrs. Al Porter guessed nearest to location of North Pole. Mrs. Ethel Hurst won the ladies mulligan throwing contest. Mrs. J. Earl hit the mulligan the farthest.

A basket picnic supper was served at 6 o'clock, with the pastor, Rev. O. W. Hurst, giving the invocation. After supper, Rev. Hurst led a period of group singing.

Later all adjourned to the pavilion, where the Berean class and Ethel Hurst class, under the direction of Mrs. Jack Jenny and Eddie Sisson presented an interesting program of "Truth and Consequences".

At the close, Robert McCann, superintendent, thanked all the committees for the splendid work they had done to make the picnic such a success. Rev. Hurst pronounced the benediction.

Orville Grossman was general chairman of arrangements. Carl Barbour was in charge of transportation. Mrs. Jack Mattox headed the table committee. John Houk was chair of the committee. Boy Scouts of First Baptist gave much help on the cleanup job.

STATE RELIEF ROLLS INCREASE

HARRISBURG, July 18.—(INS)—The number of Pennsylvania relief recipients neared the 350,000 mark today with no indication of a downward trend from the state department of public assistance.

During June, the DPA reported, 3,735 persons were added to the rolls while during a similar month last year 4,346 persons left the rolls.

The comparison, the DPA said, "shows the effects of the current downturn in economic conditions." In the first half of 1948, the department said, 23,113 persons were added to the rolls while in the initial six months of 1949 the relief lists were swelled by 43,530 persons.

Expenditures during June amounted to \$10,286,379 compared with \$10,111,968 during May.

Friends may call at the DeCarbo funeral home, East Lutton at Cunningham, anytime after Tuesday at 4 p.m. Funeral arrangements will be announced tomorrow.

Cascade Boulevard
Closing Petition
Rejected By City

Council in session in City hall today rejected a petition signed by Shenango township residents asking that Cascade boulevard be closed because of a dust nuisance. However, council did decide to erect signs reading: "private road, travel at your own risk".

The township residents asked the city to oil the boulevard. However, they refused to contribute toward this.

Council took the position that because the road is private, being owned by the city, and lying in Shenango township, they could not oil the road.

Erection of the signs will permit persons who live or have businesses along the boulevard to travel it at their own risk.

Report Of Secret Meeting
At Blair House

WASHINGTON, July 18.—(INS)—Sen. McMahon (D) Conn., said he will tell the congressional atomic committee today about President Truman's mystery conference at Blair House Thursday night.

McMahon, chairman of the Senate-Atomic group and one of its few key members who attended the super-secret meeting said he will make a report on the developments today.

It is believed, however, that his committee already knew the background of the problems considered at the temporary presidential residence and the only new information would deal with what decisions, if any, were made.

One of the chief subjects thought to have been discussed at the Blair House conference was the exchange of atomic bomb 'know-how' with Great Britain.

Upon her return she will give an outline of the work covered to the other county nurses.

Woman Stays Aloft
For Fifth Day In
Her 'Sit-Up' Strike

REVERE, Mass., July 18.—(INS)—A 24-year-old mother stayed aloft today in the fifth day of a unique "sit-up" strike which she claims it to focus attention on her family's need for low-cost housing.

The mother, Mrs. Jean Ellis, is on a perch at the Revere Beach Amusement Park. She is quite comfortable on a broad, covered platform.

Mrs. Ellis has had several offers of homes since Thursday, but rejected them as being "unsuitable."

The woman's stunt has attracted good crowds to the amusement park—but she says she is not staging her "sit-up" for any reason except to get "livable quarters" for herself, her steeplejack husband, Arthur, and their infant daughter.

Island Of Kyushu Struck By Typhoon; Honshu Apparently Is Spared

TOKYO, July 18.—(INS)—A typhoon that killed nine persons in the southern section of Kyushu Japan's southernmost island, whirled out to sea today.

Tokyo and the main island of Honshu apparently were spared the ravages of the windstorm as it veered from a northwesterly to a westerly direction to head over the Sea of Japan.

In southern Kyushu extensive damage was wrought as 50-mile-per-hour winds blew off the tops of 1,500 houses.

The number of persons injured was not yet computed.

U. S. army headquarters in Tokyo said no Americans were hurt and no American installations were damaged in the storm area.

Torrential rains, high tides and a mountainous surf accompanied the typhoon as it battered southern Kyushu.

There will be a regular dinner-meeting of the Wolves club, Tuesday evening, with Joseph Fregel in charge. Dinner will be at 6:30 p. m.

Employment In
Nation Believed
Near 60 Million

WASHINGTON, July 18.—(INS)—Government economists said today that total 1949 employment has now reached a peak and starting next month can be expected to move downward.

The decline in the number of employed will not necessarily mean a substantial increase in jobless rolls since it will mark the end of summertime jobs for students and housewives.

Although census bureau figures will not be available for another two weeks, officials believe that the total number of working persons this month will meet the government's postwar employment hope of 60 million jobs.

The bureau estimated June employment at 59,619,000, an increase of 925,000 over May figures.

Parachute Jumper And Photographer Killed When Stunt Becomes Tragedy

THREE RIVERS, Mich., July 18.—(INS)—The pilot is sole survivor today of a death-defying airshow act that turned into a death act, killing two yesterday.

A parachute jump by Arthur Smith, 31, of Comstock, Mich., was to be the feature act.

He climbed on the wing of the cabin plane while Photographer Harry Ladewig, 37, adjusted his camera.

Then Smith's chute opened prematurely and covered the tail assembly, throwing the plane out of control. The crowd of several hundred watched horrified while he clawed at the shrouds and the plane spun to the ground.

Pilot Walter Steight, 28, bailed out at 500 feet and received minor injuries when he hit the ground. The photographer was unable to escape.

Three Persons Are
Hurt On Highway
To Mt. Jackson

Three persons were injured in an auto accident on the Mahoningtown hill, Mt. Jackson highway at 2:35 p. m. Sunday. The injured were treated at the Mahoning Memorial hospital and later discharged.

They are: Estelle Natsic, 12, Bessemer, contusions of the abdomen; Carl Natsic, 53, same address, laceration of mouth, and Mrs. Stella Sultz, 4304 Oakmont street, Philadelphia, contusions of left wrist, arm and right hand.

According to reports, Woodrow Cecil Tucker, 731 West 15th street, Amiston, Ala., was driving down the hill, put on his brakes and the car skidded into a pole. George Edward Dencan Portersville, R. D. 2, driving behind Amiston, also had his car wrecked.

State police said at noon they had not been able to fully investigate the accident and as yet do not know in whose car the injured were riding.

Two Glue Plants Of Swift & Co. In Chicago Burned

More Than 400 Firemen Battle
Blaze For Five Hours; Loss
Near \$500,000

CHICAGO, July 18.—(INS)—Fire officials were probing the ruins of two Swift & Co. glue plants at the Chicago stockyards today to determine the cause of the fire that gutted the factories and caused injury to four firemen.

Swift officials estimated the damage in last night's fire at \$500,000, but chief fire marshal Anthony Mullaney placed the loss at about half that amount.

Packing officials said that meat production was not affected by the fire as the two plants are located a considerable distance from the pens and slaughter houses.

None of the four firemen was reported in a serious condition.

The fire wrecked the main structure, a five-story brick building known as No. 17 and then spread to the new glue plant nearby, which also was gutted.

More than 400 firemen battled the flames for five hours before the blaze was brought under control.

Seventy pieces of fire apparatus were dispatched to the scene when five alarms and a special alarm were turned in shortly after the blaze was discovered on the second floor of the old glue factory.

No one was in the building when the fire broke out. The plants normally employ about 200 workers.

Radiation Still Exists At Sight Of Bomb Explosion

LOS ANGELES, July 18.—(INS)—A team of U. C. L. A. scientists reported today that there is still "much radiation" in the 600-foot crater in the New Mexico desert where the first atom bomb was exploded four years ago.

The scientists, who made a two-year study of the site under a contract with the atomic energy commission, reported heavy radioactivity both in the crater and in the earth surrounding to 1,700 feet in diameter.

They added that the radioactivity has not penetrated the earth, but has shown a tendency to stay near the surface. A third of a mile away from the crater it is safe "to put in a day's work," they noted.

MAN IS MISSING

LOS ALAMOS, N. M., July 18.—Officials at Los Alamos today confirmed reports that H. Tracy Snelling, public relations director for the atomic energy installation, has been missing since Wednesday. Snelling was last seen in Santa Fe. His wife reported him missing last Friday.

Now is the time to cut off iris stalks and peony heads and to shape up peony plants so that they will look well for the rest of the summer.

Dr. Kenneth Kuiken At Oak Ridge, Tenn.

Dr. Kenneth A. Kuiken, son of Mr. and Mrs. John Kuiken of Wampum, is attending the radio-isotope training course given by the Oak Ridge, Tenn. Institute of Nuclear studies which is now in progress.

Dr. Kuiken, biochemist at the Texas Agricultural experiment station of the A. and M. College of Texas is among 32 scientists enrolled in the one month course. The Wampum man is the author of several technical journals and plans to use radiolabels in metabolism studies of farm animals. He was graduated from Geneva College in 1939 and University of Pittsburgh in 1943.

GARDEN NOTES

Climbing roses should be pruned after they have blossomed. Removing the old flower stalks and then cutting out weak canes will give the best results.

Anchusas and oriental poppies may be dug, separated and replanted with success at this season.

Spraying is often ineffective, especially when using fungicides, because the under sides of the leaves are not covered. When you spray, spray under as well as over the foliage.

Removal of seed heads, especially in the rock garden, will save much work caused by self-sown seedlings later on. It is also well to remove old flower heads from rhododendrons and lilacs.

Late flowering phlox is benefited by nipping out the center bud, especially if the plant is tall and spindly.

BLUE CROSS

PROTECTION AGAINST WORRY

—its worth to you is still growing!

Increased general living costs, in recent years, have left less and less money in the family budget to take care of emergencies like hospitalization. That is one reason why you need protection against the risk of having to pay hospital bills for yourself and your family.

But there is another reason why Blue Cross is an exceptionally good value. It is this: The cost of hospital care, necessarily, is high today.

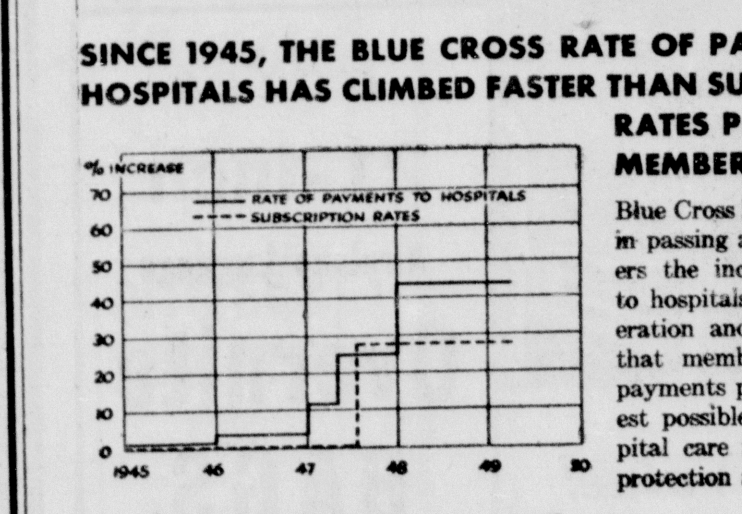

BLUE CROSS PROTECTS YOU AGAINST THE MOUNTING COST OF HOSPITAL CARE

Even though hospitals are non-profit institutions, they must meet their costs. **FOOD COSTS** have leveled off—but at prices they reached by climbing for years. **WAGES** in hospitals are higher than ever before. **NEW DRUGS** perform miracles—but they are expensive.

Because these costs—as well as the costs of linens, laundering, instruments, equipment, housekeeping materials and practically all the other costs hospitals must pay—are high, hospitals have had to increase their rates to patients.

If you are without Blue Cross, the higher costs magnify the problem you face when you or one of your family needs hospital care.

But regardless of what hospital care might cost non-member patients, Blue Cross members know that their Blue Cross subscriptions will provide the benefits specified in their agreements. They enjoy freedom from worry—worth far more than the modest Blue Cross fees they pay.

Nora Eddington And Dick Haynes Married Sunday

BEVERLY HILLS, Cal., July 18.—(INS)—The unending Hollywood whirl of marriage and divorce today found Nora Eddington, Errol Flynn's ex, the bride of actor-singer Dick Haynes, ex-husband of Actress Joanne Dru.

The two were wed late yesterday in a romantic setting, under the fragrant blossoms of an orange tree in the garden of Haynes' Beverly Hills home.

It climaxed a romance that began months ago when Miss Eddington, separated from Flynn many times, finally walked out on him.

The marriage was preceded by Nevada divorce for both of the newlyweds.

Better FOR BREAD and JELLY

What would you do?
Your Blue Cross membership provides specified hospital services when you need them... regardless of cost.

Through no fault of the hospitals—which, like Blue Cross, are non-profit institutions—the cost of hospital care climbed rapidly in recent years. Today, even though costs in general show signs of leveling off, a gap exists between the cost of caring for Blue Cross patients and the money made available by present Blue Cross subscription fees. Blue Cross must now make this choice: Should Blue Cross restrict services or increase subscription rates slightly?

Thoughtful study of the choice indicates that Blue Cross can continue to serve subscribers best by maintaining present services and increasing membership rates slightly. This is our official rate change notice to Blue Cross members.

GOOD MANAGEMENT HELPS MAKE BLUE CROSS A GOOD VALUE

You may have read recently, in a national publication, that the operating cost of all Blue Cross plans averages about 10% of the money they take in—far, far less than the record of any other form of health protection.

In Western Pennsylvania last year, the cost of enrolling members, collecting subscription fees, keeping records, paying hospitals, and so on, was even lower than that. Of the money taken in here, 91.5% went for hospital care, and only 8.5% for Blue Cross operating costs.

So, on that basis, too, Blue Cross in Western Pennsylvania is an exceptionally good value.

Example of Blue Cross Economy—Blue Cross must notify members of this rate change. Instead of sending personal letters to all members, Blue Cross advertises the rate change, supplies posters for bulletin boards, and notifies group leaders. It cuts the cost and saves several thousand dollars to be used for paying hospital bills.

GREATER NEED MAKES BLUE CROSS A GOOD VALUE

More patients get hospital care—
your chances of running up a hospital bill are greater

Several years back, 1 out of 10 persons had hospital care some time during the year. Now 1 out of 8 persons gets hospital care—an increase of 25%. On the average, some member of every third family in this area will run up a hospital bill this year.

As late as 10 years ago, 1 baby in 3 in this area was born in a hospital. Now the ratio is 4 out of 5 babies born in hospitals.

Senate To Start Voting On Pact Next Thursday

WASHINGTON, July 18—(INS)—A warning by Sen. Vandenberg (R) Mich., that amendments will wreck the North Atlantic Pact strengthened prospects for approval of the treaty without change.

The Senate has agreed to start voting on all reservations and the treaty itself at 5 p. m. (EDT) Thursday.

Vandenberg cautioned that if the Senate approves amendments, it will set off a "chain reaction" in which other 11 signatories will riddle the alliance with reservations. He said: "The net results would be shambles."

Leaders Confident

Senate leaders are supremely confident that the treaty will be accepted without change. Vandenberg said that a "total convincing reason for rejecting amendments will be outlined before the voting begins."

Senate majority leader Lucas (D) Ill., told newsmen that the spurt of "new life" given the opposition by the speech of Senate GOP policy chief Taft, Ohio, now appears to be "subsiding." Taft announced he would vote against the pact.

Sen. Pepper (D) Fla., announced support over what he called "sur-render of our neutrality."

Pepper declared that the moment one of the other signers or their possession in the North Atlantic are attacked, this country is obligated to go to their defense. He said "the Senate cannot debate the matter."

much more serious obligation on the United States than the matter of supplying arms to western Europe, which has been the principle issue in debate, Pepper declared: "Under Article Five, we gave up the prerogative of consideration and discussion. The moment of attack on our obligation comes into being. We can't even debate it in the Senate. We can't be neutral any more. Neutrality is no longer a debatable matter."

Pepper contended that if Algeria, the Canary Islands or the Azores were to be attacked after ratification of the treaty, this country would be obligated to go to their instant aid because they are North Atlantic co-signatories.

Vandenberg has particularly criticized a rider by Senate Republican leader Wherry, Neb., to deny specifically any obligation on this country to arm western Europe.

Mayor Candidate Sought By G.O.P. In Pittsburgh

PITTSBURGH, July 18—(INS)—Republican big wigs searched today for a mayoralty candidate to challenge Democratic rule in Pittsburgh after unsuccessful efforts to entice Judge Henry X. O'Brien over the week end.

According to authoritative sources, the jurist declined the nomination and elected instead to run for a ten-year term in common pleas court.

His withdrawal leaves GOP forces without an immediate outstanding candidate to present to party workers before next Monday's filing deadline for the fall primary election.

Governor James H. Duff and ex-Judge Elder W. Marshall, who were in Pittsburgh to discuss possible candidates, left without officially confirming O'Brien's refusal.

This Floridian termed this a

Dewey Supports Atlantic Pact

Declares Treaty Represents 'Sheer Necessity Of Self-Preservation'

NEW YORK, July 18—(INS)—Gov. Thomas E. Dewey threw his weight behind the Atlantic Pact today with the declaration that the treaty represents "the sheer necessity of self-preservation... resisting the communist menace."

Dewey told the 32nd annual convention of the international Lions clubs at Madison Square Garden that "the free peoples of this world must stick together and work together or we will fall together."

The two-time Republican presidential candidate addressed representatives from 4,475 Lions clubs of 26 countries.

The New York governor told delegates: "If western Europe were made into one large area for the free exchange of goods and services like the United States, she could make the progress which would bring the living standards of her people above the danger point."

Dewey said this would make American sacrifices to aid Europe worth while, but added:

"There are some individuals and nations in Europe which are resisting the economic unity which I do not believe Europe can survive."

"The time has come to look to our Marshall plan aid very carefully and to see that it is serving to bring about this economic unity in Europe."

Spanish Bombings Mark Anniversary

BARCELONA, July 18—(INS)—A series of bombings, apparently by terrorists, ushered in Spain's observance today of the 13th anniversary of the outbreak of the civil war.

Police said that at least one person was killed and nine injured in the Barcelona blasts.

One bomb exploded with such a blast that it uprooted trees, smashed windows and crated panic in Catalonia.

Audiences at Barcelona cinemas and theaters rushed to the streets. Police cordoned the area and examined thousands of identification cards but no arrests were made.

Another bomb exploded at the Plaza Calvo Sotelo, an exclusive residential district, where many windows were smashed.

Other bombs exploded over a wide area.

Spanish police, armed with sub-machineguns and rifles patrolled the Catalan capital.

A PRINCE SLINGS THE JAVELIN

PRINCE PHILIP, Duke of Edinburgh, goes all out in a javelin throw while visiting the Outward Bound Sea School at Aberdovey, Wales. Without removing his coat, he threw the spear 109 feet. (International Radiophoto)

"Assignment; America"

By INEZ ROBB
(Reg. U. S. Pat. Off.)
(Distributed By International News Service)

NEW YORK, July 18.—Some people are unbearable because all their ancestors came over on the Mayflower.

Others are equally insufferable because they boast of lineal descent from the first ape ever to try a handstand in the forest primeval.

And still others brag that they are agents because no one in the family has done a lick of honest work in ten generations.

But I belong to the newest aristocracy, a limited group to whom the Almanac de Gotha is devoting its next supplement.

Restricted Little Group

I am unendurable because I belong to that restricted little group that has seen the three current musical hits of Broadway, "South Pacific," "Kiss Me Kate" and last but not least, the new Irving Berlin-Robert Sherwood musical comedy, "Miss Liberty."

In this day and age, Kings are "as corny as Kansas in August" and just as common. But anyone who has seen all three of the above musicals can breathe down the back of a DAR or a garter knight and make 'em like it.

We are a pestiferous little group who like to get together to boast how we finagled tickets and lie about how much we paid for 'em. And there is now a move afoot to organize into a fraternal brigade that for sheer exclusiveness will lay in the shade all such groups as the Cincinnati, the Sons and Daughters of the I Will Arise, the Knights of Pythias and the Junior League.

There is an even more exclusive group—a sort of inner circle—that has also seen "Death of a Salesman," the premier dramatic hit of Broadway to which tickets cost no more than a right arm.

Closed To Me Indefinitely

I expect this inner circle to remain closed to me indefinitely as I cannot overcome a natural antipathy to bankrupting myself for ducats to a drama about a traveling salesman, a type gent mama said meant no good to a girl and, anyway, was bound to come to a bad end.

"Miss Liberty," the newest arrival on Broadway, with \$430,000 of advance seat sales already in the till, is a sparkling show with the best dancing in town and good tunes a customer can take home to whistle in the shower.

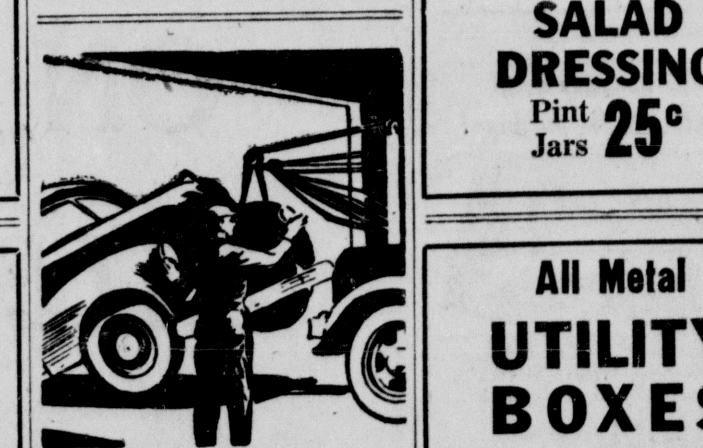

It is also the first musical comedy ever presented on Broadway with a book written by a literary light who is the only author ever to hit the Pulitzer Prize jackpot four times. Robert Sherwood has written one of the most literate musical comedy books in history.

Furthermore, he has endeared "Miss Liberty" to me by making its hero a newspaper photographer, usually the battered but unbowed, and certainly the unsung, hero of most newspaper sagas—at least, to hear them tell it.

Photographers Get Reward

Some of my best friends are newspaper photographers, and I am glad at long last to see them getting their just reward on Broadway. "Miss Liberty" is the second Broadway offering in a year whose hero is a photographer. The gent who walks off with Ruth Hussey in "Goodbye, My Fancy," is also a photographer.

In both instances, photographers are presented as literate gents, capable of uttering two syllable words and eating peas with a fork. This is a distinct novelty in the literary presentation of photographers, who usually appear in fiction as uncouth clowns addicted to

Drives Into Stream, Narrowly Misses Being Drowned

PITTSBURGH, July 18—(INS)—A 66-year-old Aspinwall, Pa., man who drove into Squaw Run creek in nearby O'Hara township to "show his wife" where he washes his car just missed drowning when the coupe sank to wind-down level yesterday.

The stream, normally shallow, had risen four feet as more than two inches of rain hit the Pittsburgh district.

The man, E. G. Bowman, and his wife, Ella, escaped from the car and waded through swift current to shore. Bowman fastened the ends of a rope to a tree and his bumper to save the vehicle, which was later towed from the creek.

Hunt For Money In Recluse's Home

The police inquiry was prompted

after Mrs. William H. Earnest of Harrisburg reported seeing the recluse with large sums of money in his possession. Adams was found dead in his mountain home north of Harrisburg last Friday.

Mrs. Grace Dye of Wildwood, N. J., told police to contact banks in the hope of locating her brother's bank account which she urged him to start.

Police found material relating to President Adams and Samuel Adams of Revolutionary war fame in the crude shanty during an initial search.

Brannan Farm Program May Be Toned Down

WASHINGTON, July 18.—(INS)—House Democratic leaders are working on a plan to tone down the Brannan farm program in an attempt to save it from defeat.

The measure, sponsored by Rep. Stephen Pace (D-Ga.), comes up for a House vote Tuesday. Most observers think it will have a very narrow squeak if it passes at all.

A team of Republicans and Southern Democrats hopes to upset the measure by substituting another bill which would continue present price supports for another year.

Rep. Harold D. Cooley (D-N.C.), agriculture committee chairman, will have the difficult job of piloting the administration bill through debate.

Would Try Out Program
The Pace bill would allow Agriculture Secretary Brannan to try out his proposed production payment system on three commodities.

Cooley says some amendments may be offered. Administration leaders will make their final decision on this at a strategy meeting on Monday.

The boll weevil is threatening to destroy more cotton this year than at any time since 1941.

This gloomy report by the agriculture department is coupled with another piece of bad news—that insecticides are scarce in some localities with the prospect that supplies will become increasingly tight.

Officials say the weevil is making its appearance in large numbers in areas further north than usual.

Farmers are being cautioned to fight the pest with everything they have, not relying too much on hot, dry weather, the weevil's worst natural enemy.

Did Whale Of A Business
Commercial hatcheries did a whale of a business in the first six months of 1949. Their output of baby chicks is up 25 percent over last year.

This year's production is the third largest on record for the six-month period.

A great part of this astonishing business gain is due to the growth of the commercial broiler industry. With red meat prices still relatively high, housewives have

been turning more and more to poultry as a substitute.

But farmers, too, have been buying chicks in large numbers as flock replacements. Prospects are that the hatchery business will be a profitable field for some months ahead.

The agriculture department will support 1949-crop flue-cured tobacco at an average of 42.5 cents per pound—1.4 cents below last year.

Loan rates will range from \$70 per hundred pounds for top grades down to \$9 for the lowest grade leaf.

The government has been propping up the price of flue-cured tobacco since 1936. On June 1 it had about 374 million pounds, acquired under previous loan programs, valued at 135 million dollars.

This year's flue-cured crop is expected to be about one billion, 155 million pounds—somewhat larger than last year.

Thousands Will Aid In Taking U.S. Census Next Year
WASHINGTON, July 18.—They're setting the stage at the U. S. Commerce department for the biggest quiz program in this country's history—the 1950 census.

This seventeenth nose-count will be the largest and most expensive of all. And it will go farther afield than any previous one.

150,000 Counters
Nationally, some 150,000 counters will ring 40,000,000 doorbells, list 150,000,000 people—10,000,000 more than in 1940—and ask sufficient questions to collect 6,000,000,000 facts for the census bureau's statistical will to grind out for two or three years afterward.

The job will cost the government \$70,000,000, compared to \$39,000,000 in 1940. Chief reason for the increase is the difference between the \$10 daily that census takers will get next year and the \$4 and \$5 they got in 1940.

No More than 30 Questions
The 1950 program calls for housing and farm censuses together with the population count. The census taker will want to know about your plumbing, radio, dwelling and refrigerator, as well as your vital statistics and family size.

You probably won't have to answer more than 30 questions at most. The census bureau has decided that's about the fatigue limit for both the asker and answerer.

In 1950 for the first time forms will be mailed to farmers in advance.

Poetry Group Winners Named

Local Poets Receive Merit Recognition In Contest Judged By Ohio Poetry Society

Three poets of the New Castle Poetry group received outstanding recognition in a poetry contest held recently by the workshop and judged by the Ohio State Poetry Society.

This announcement was made Friday evening when the Poetry group gathered for an informal session at the home of Mrs. C. R. Brenner, 1617 Huron avenue.

Mrs. C. R. Brenner received first prize for an original sonnet and also first honorable mention for lyrics. The second and third prize were awarded to Mrs. Josephine Alexander for lyrics; and second honorable mention was received by Miss Allura Leslie, also for lyrics.

Prose was the theme of the evening's meeting and Miss Garnet Rhodes led the interesting discussion. Various techniques of prose writing were included, namely: articles, feature writing, fiction, essays and novels. Each member participated in the lively and educational period.

The Poetry group announces that the poetry contest of Lawrence county poems, sponsored by their group, ended on June 25. However, since manuscripts were retarded in being submitted, the group will shelve all poem manuscripts until a few more are received. An anthology of poems of Lawrence county will then be compiled. Poets are still urged to send in their poems.

Announcement was made that Miss Allura Leslie and Mrs. C. R. Brenner both have poems published in the recent issues of the American Bard.

The prose discussion will continue at the next workshop meeting on August 19. Short stories will be analyzed and Miss Garnet Rhodes will again be the leader.

REPETITIOUS PLAY
Some parents show impatience with young children who do things over and over. Youngsters may climb to the top of a box, jump down, climb up again, jump, and do this over and over. Ball-bouncing is another common form of repetitious play. Indeed, such play is likely to come in all shapes and forms. After a dose of this, mother or dad are likely to say, "Why don't you do something else? That's getting on my nerves."

We need to recognize that repetitious play has a real place in the scheme of things. It leads to the learning of motor skills that are important in games and other physical activities. It helps develop the coordination that is so important in all sorts of ways. And it helps build self-confidence in the youngster who acquires these skills.

If you still find that these activities "get on your nerves," it's better to suggest to your child that to find another place to play than to try to discourage him.

Good Taste

By FRANCINE MARKEL

UNINVITED GUESTS

"We live on a farm with a lovely river running in back of it. My problem is that all of our friends and relatives think our place is ideal and consequently come to us to spend free vacations. Last summer, I was worn out with company as I have no help in the house. This summer, they again plan to come and fish, swim and eat our home-made butter and fresh vegetables and meat. Do you think I would be considered mean if I wrote to them that they will be welcome for a week only. Last year, some of these guests stayed for three weeks—slept late in the morning and stayed up late at night—while my farmwork and housekeeping went on. The only help I got from them was dish-wiping occasionally. Have you any suggestions as to how I might escape from this situation?"

Answer: Put them to work and they'll soon make themselves scarce. Do it diplomatically. Smilingly, inform them of the amount of work to be accomplished to run a farm successfully. They really have unmitigated nerve to eat your food and enjoy your hospitality, letting you do all of the work without any help. And you are certainly justified in giving them this gentle hint.

Suggest some mild field work for the men and some household help from the women—"Mary, would you like to dust downstairs while I make the beds?" "Eleanor, how about peeling the potatoes. I have a large dinner to prepare."

Make them realize the inconvenience and extra work their self-appointed visits create. If they

plan to stay too long, tell them, at the end of a week's visit that you have other guests coming and there will be no room available.

Present your problems to Miss Markel who will promptly send personal replies to questions from readers inclosing stamped, addressed envelopes.

Ford Members Vote Strike Authorization
DETROIT, July 18.—(INS)—The UAW-CIO was armed with a strike

authorization by its 106,000 Ford members today as its contract with the Ford Motor company lapsed into a day-by-day agreement.

The union announced that Ford workers throughout the nation voted seven to one in favor of strike action, if necessary, to back up demands for pensions, health insurance and a cost-of-living pay boost.

The Ford-UAW contract has expired but was extended on a day-to-day basis by mutual agreement. The temporary arrangement can be terminated by either side upon five days notice.

Democrats Hail Naming Woman

Appointment Of Mrs. Mesta As Minister To Luxembourg Is Pleasing

OTHER NEWS OF NATIONAL AFFAIRS

(Special to Central Press)

WASHINGTON, July 18.—Democratic leaders are delighted with President Truman's appointment of Mrs. Mesta, Washington's No. 1 hostess, as United States minister to Luxembourg.

Administration spokesmen point to the overwhelming nature of Mrs. Mesta's confirmation by the Senate. Only one voice was raised in opposition—that of Senator Donnell (R, Missouri).

The feeling is that Mrs. Mesta will serve her country well in tiny Luxembourg, and that she is likely to develop an excellent listening post there.

The energetic Perle has demonstrated her ability as a diplomat in the social whirl of Washington, where invitations to her parties are coveted by the great and near-great of many nations.

Her admirers point out that she has shown business acumen in management of the holdings she inherited from her father and her late husband. Moreover, Mrs. Mesta is serious about her diplomatic career. A zealous feminist, she is determined to do a good job.

Many informed persons in Washington believe that Mr. Truman, in naming Mrs. Mesta to the Luxembourg mission, not only paid off a political debt but recruited a genuinely talented person for what can become an important foreign service assignment.

NIGHT FIGHTER

The air force is rushing construction on an exciting new jet plane which will fly and fight in pitch darkness.

The plane is a radically advanced version of the Lockheed F-80 Shooting Star. Its mission will be high-altitude interception of enemy attack, particularly under zero-zero weather conditions that would keep other fighters grounded.

The new jet, called the F-94, has two seats. The pilot sits in front, the radar operator behind him. The radar man tracks down enemy planes with his electronic equipment and directs the pilot to the interception point.

The air force is jealously keeping secret details of the new plane. Spokesmen will say only that it is "designed to search out and destroy aircraft after having been radio-directed to the vicinity of enemy planes by radio ground control."

More than 100 of the night-jets are on order. The F-94, it can be revealed, will incorporate an additional source of power—a so-called afterburner. The afterburner utilizes gasses escaping from the regular jet power plant. This device increases the plane's rate of climb to meet an enemy.

TRUMAN AND EUROPEAN ARMS

President Truman still is determined to press for enactment of the current session of Congress of his one billion 130 million dollar program to re-arm Western Europe under the North Atlantic Pact.

Two of his Capitol Hill lieutenants—Speaker Sam Rayburn (D, Texas), and Senate Majority Leader Scott Lucas (D, Illinois), have tried to dissuade him but the president is still insistent on trying to get action before Congress quits.

OHIO ELECTION
Congress' refusal to repeal the Taft-Hartley law has set the stage for a real battle in Ohio next year. Organized labor will throw

everything into the election to beat Senator Robert A. Taft (R, Ohio), in his fight for re-election.

Some labor leaders—and John L. Lewis reportedly is among them—feel that the failure of Congress to repeal the Taft statute will strengthen their Ohio election chances by providing labor with a rallying point against the incumbent senator.

If the administration repealer had gone through Congress, the Taft-Hartley "name" would have been dropped from the country's labor law and unions would have lost a major campaign weapon.

Don't Put All Of Blame On Heat; Maybe It's You

WASHINGTON, July 18.—The Public Health service said that it may be neither the heat nor the humidity. It may be you.

Asking "Is it hot enough for you?" the service added: "Don't put all the blame on the temperature or the humidity. It may be your own failure to live sensibly in the summer."

The PHS offered these rules for keeping your body's "cooling apparatus" functioning efficiently in hot weather.

1—Eat lightly. Cut down on steak and pie. Eat fresh fruits and vegetables.

2—Drink more water and fruit juices. Don't drink more coffee, tea or liquor.

3—Eat more salt—unless you're a white collar worker. White collar workers get enough salt with their meals.

4—Dress lightly—and remember that light colors or white deflect the sun's rays better than darker clothes.

5—Take it easy. Fast tennis and vigorous swimming are bad.

6—Take extra baths.

7—Get plenty of sleep. Use a fan if your room's hot but "keep out of its direct draft."

Try And Stop Me

By BENNETT CERF

Stewart Holbrook declares that it was the railroads which established the four "standard" times—Eastern, Central, Mountain and Western—in the United States. The agitation for such a move was started, surprisingly, by the principal of a school for girls.

The railroads put it into practice on Oct. 18, 1883, amidst widespread prophecies of confusion and accidents, none of which was borne out. Two adamant hold-outs were a Tennessee preacher named Watson, who pounded his watch into a pulp with a claw hammer in his pulpit, explaining that the four time belts made timepieces worthless, and the Federal government, which officially ignored the system for the next 35 years.

I once met a newspaperman who had toured with Alf Landon during the 1936 campaign and still spoke feelingly about it. "If Landon had made just one more speech," he said, "I'm convinced that F. D. R. would have carried Canada."

Major Generals Are Relieved From Duty; Probe Result

WASHINGTON, July 18.—(INS)—The Army on Saturday relieved from duty two major generals in connection with an investigation of government procurement.

Army Secretary Gordon Gray announced that he had temporarily relieved from their duties Maj. Gen. Alden Harry Waitt, Chief of the Chemical Corps, and Maj. Gen. Herman Feldman, Quartermaster General.

The Army announcement said the action was taken as a result of evidence submitted by a Senate subcommittee. The Army said: "This information was further developed by the Inspector General of the Army. A complete investigation is now being made. "The Senate subcommittee has evidence which indicates that Gen. Waitt improperly furnished personnel data to an individual not in the military service who was not entitled to receive such data and that Gen. Feldman furnished to a contractor's representative procurement information under circumstances which appear irregular."

Sen. Hovey (D) N. C., is chairman of the Senate investigating subcommittee which started its probe following recent reports on activities of individuals who allegedly used influence on government officials to obtain contract for businesses.

Hitler Warned U. S. Would Be Drawn Into World War

WASHINGTON, July 18.—(INS)—Adolph Hitler's advisors were revealed to have cautioned him in 1937 that any war involving great Britain would bring the United States into active participation. This revelation, with many others, came in the publication of captured Nazi documents seized when the Allies overran Germany in World War II.

The first volume, containing 1220 pages was published today by the State Department. It is one of a series to be based on 400 tons of seized official documents.

The chief warning came from German ambassador to Washington Hans Dieckhoff. The record indicates that while Dieckhoff was vigorous in defending Nazi Germany from abuse, he was never inaccurate in judging American feeling toward Germany.

Robert Stunkard At Omiya, Japan

Recruit Robert Stunkard, son of Mr. and Mrs. Boyd Stunkard of 209 Milton street, is stationed at Camp King, Omiya, Japan, and is a member of the famous First Cavalry Division and has been serving with the division since April, 1949.

At the present time Recruit Stunkard is assigned to a rifle squad in Company B of the First Battalion, Eighth Cavalry Regiment, (Infantry), now holding maneuvers at the base of Mount Fujiyama, Camp McNair, Japan, along with other units of the regiment. An eight-week period of intensive training is scheduled.

Stunkard attended New Castle High school, and prior to entering the service he was employed as an apprentice brick layer. Upon

leaving the service he plans to resume work in that field. While in the service he will have the opportunity to complete his education through the Army Education program.

SOCIETY & Clubs

HUSBANDS GUESTS AT WALMO CLUB PICNIC

Mrs. Richard Marquis, Walmo, was a charming hostess when members of the Walmo Garden club met at her home on a recent evening for their annual picnic, with husbands as guests.

Places were marked for 32 guests at a table festively arranged with centerpieces of beautiful floral arrangements.

While the members conducted a short business meeting their husbands enjoyed a game of badminton and horseshoe pitching.

Special guests were Mr. and Mrs. Ralph Galbreath of Youngstown and Mr. and Mrs. Clayton Bryan. The Galbreaths are former residents and Mrs. Galbreath was formerly a member of the Garden club.

The committee in charge of the delightful evening was composed of Mrs. Marshall Curran, chair-lady; Mrs. Bill Mooney, Mrs. N. J. McCluskey, Mrs. Frank Daugherty and Mrs. Sam Mooney.

SETON HILL COLLEGE ALUMNAE MEETING

Mrs. Floyd Nowling entertained members of the Shenango Chapter Seton Hill College Alumnae Friday evening at her home, 209 Lincoln avenue, with Miss Helen Rice as co-hostess.

Bridges interested the group with prizes going to Mrs. Mary Elizabeth Dolan and Mrs. George Allen. Miss Ann Scarazzo will be hostess to the members on Friday, August 26, at her home, 216 Hazelcroft avenue, with Miss Jennie Fusco as co-hostess.

Powell Reunion
Eleventh annual reunion of the late Dwella and William S. Powell was held on Sunday, July 17, at the home of a daughter, Mr. and Mrs. Howard Weber of Masury, Ohio.

Those in attendance were one son, three daughters, twelve grandchildren, and ten great grandchildren. Also three guests were included, Miss Lois Likens, Fred Gill and Miss Durlene Stone.

At noon, a basket dinner was served to thirty-five relatives and guests. This was followed by a business meeting called to order by Mrs. Madison Gill. Officers were elected for the coming year with the following chosen: Mrs. Madison Gill, president; Laurence Flickinger, secretary-treasurer; and Mr. and Mrs. Laurence Flickinger, chairman of sports and entertainment.

Next year's reunion will be held the third Sunday of July at Neshaunock Falls Park.

Sports followed the business meeting, with prizes awarded to the following: Miss Lois Likens, Madison Gill, Howard Weber, Kenny Flickinger, Joan Sakonyi, Paulie Reed, and Tommy Flickinger.

Christening Rites
Shirley Jean, daughter of Mr. and Mrs. Frank Mrozek of New Castle, R. D. 7, was christened Sunday afternoon at two o'clock in SS. Phillips and James church with Rev. F. V. Stanciewicz officiating.

Mrs. Joseph Pfeifruk and Alex Mrozek served as sponsors. Supper was served at the home of Mr. and Mrs. Frank Mrozek, with Mrs. Stanley Zepka, Mrs. Pfeifruk and Mrs. Alex Mrozek aiding the hostess.

NEWLYWEDS HOME FROM WEDDING TRIP

After a wedding trip to Geneva-on-the-Lake, the newlyweds, Mr. and Mrs. Michael Dugan, are "at home" in Freedom, Pa.

Ferns, flowers, and candelabra, provided the setting of the lovely summer wedding of Miss Mildred Jean Landis, daughter of Mr. and Mrs. Lee Landis, East Washington street, and Michael Dugan, son of Mr. Mildred Dugan of Koppel. Rev. Fr. John Unger officiated at the impressive ceremony in St. Joseph's church, on July 2 at 9 a. m.

The bride given in marriage by her father, was radiant in white summer satin, with a sweetheart neckline, long pointed sleeves, and the very full skirt ending in a long train. Her fingertip veil of illusion cascaded from her coronet in her hair. She carried a white prayer book covered with Mother of Pearl.

Miss Norma Cavalier, as maid of honor, wore a pink gown fashioned in the same style as that of the bride, and wore a matching bonnet. The Misses Shirley Belknap, Anna Gentile, and Olga Dugan, sister of the groom, wore matching gowns in light pastel hues of green, yellow and blue. All had large cartwheel picture hats and carried pink roses.

Sam Pidrondrea served the groom as best man, and ushers were Joseph Nardone, Joseph Zitrenski, and Paul Botti.

Appropriate nuptial music was provided throughout the ceremony. A wedding breakfast was served at the Columbus Hall of Mahoningtown, and a dinner followed at the local tea room. In the evening, a reception was held at the Columbus Hall. Two hundred guests were in attendance.

The bride, a graduate of the local high school, was formerly employed at the New Castle Store. The groom is affiliated in business in Freedom, Pa.

1907 CLUB PLANS FOR PICNIC DINNER

Members of the 1907 club met recently with Mrs. Mary Geddis of Huron avenue.

They planned for a picnic dinner on August 10, with Mrs. Joseph O'Laughlin, West Washington street.

An informal period was enjoyed and capturing high score prizes for 500, were Mrs. Pearl Carr, Mrs. J. W. Logue, and Mrs. George Wooding.

A dainty lunch was served by the hostess, aided by her granddaughter, Eileen Murphy.

FIRST U. P. LADIES AID PLANS LUNCHEON

Ladies Aid of the First Presbyterian church will hold a luncheon Wednesday at 1 p. m. in the church social rooms.

Mrs. John Ingham and Mrs. Mary D. Giffillan are in charge of the reservations, which are to be made by this evening.

Friendly Neighbors

Friendly Neighbors gathered at Cascade Park on a recent morning for a delicious breakfast. Next meeting will be a picnic supper at Cascade Park on August 9 at 7 p. m. for all members and their families.

Section G, Y. L. B. Class

Section G of the Y. L. B. Class of Third U. P. church will have an all day meeting Wednesday, July 20, at the home of Mrs. Scott Munnell, of Butler road.

Gleaners' Class

Members of the Gleaners' class of First Baptist church will entertain their families at a picnic in Cascade Park Thursday evening, July 21, at 6:30 o'clock.

Four-H Club

Neshaunock Township 4-H
The Flying Fingers 4-H club held their third picnic meeting on July 12 at the fire house.

President Shirley Weaver opened the meeting after which the secretary, Phyllis Lutz read the minutes. Betty Campbell led the group in singing, assisted by Phyllis Lutz. The girls then planned for the annual 4-H picnic to be held August 2 at Grove City Memorial Park. A committee composed of Mrs. Frances Bees, Barbara Bender and Ronalyn Mielke and assistants Jane and Joanne Bees was chosen to plan the menu.

The girls were instructed in sewing by Miss Patricia Kelley and her assistants, Mrs. Justine Weaver, Mrs. Frances Bees, Mrs. June Reiber and Mrs. John Campbell. Games were played and the meeting was adjourned.

The next meeting will be held at the firehouse July 26 at 9 a. m.

Busy Schedule For Third Week Of Scout Camp

Two Provisional Troops And Troop 21 Comprise Week's Enrollment Of 48

Lawrence County Boy Scout camp started its third week of regular camping Sunday with a busy schedule of activities in store. Troop 21 sponsored by the Moose, under Scoutmaster Charles Follette, are camping as a unit while two provisional troops under Ray Zeigler and William Weitz bring the total enrollment to 48.

N. J. McCluskey is also on hand this week at camp to offer several forms of special training and assist the scoutmasters.

Director John Lawson has arranged a busy program for the week. Tuesday afternoon a representative of the Pennsylvania Motor Police from Butler will give a short talk and show films on safety. The board of review meets Thursday, and Friday the public is invited to the court of honor and campfire.

Cub packs 11, 31, and 33 will journey to camp for a picnic and outing Friday afternoon and evening.

Occupant Of Buggy Is Hurt

Horse And Buggy And Two Autos In Accident On Volant-New Wilmington Road

Jacob Kempf, age 63, of R. D. 3, Volant, driving a horse and buggy, received fractures of both bones of his right leg below the knee in an accident which involved two autos and the horse and buggy at 9:25 p. m. Sunday on route 278 between Shepherd's Corners and New Wilmington, near Fair Oaks cemetery.

Kempf's buggy was struck from the rear by an auto driven by William H. Turner of Volant.

The impact frightened the horse which ran away across the road into the path of a car driven by Clarence D. Elgin of Elderton, Pa. After the second crash the horse, which was uninjured, continued in its flight.

Mr. Kempf was injured and is in Jameson Memorial hospital. Both autos and the buggy were damaged.

Six Known Dead In Four Aircraft Accidents Sunday

Drag Waters Of Lake Michigan For More Persons Believed Killed In One Crash

CHICAGO, July 18.—(INS)—Coastguard craft dragged the waters of Lake Michigan today for two persons believed killed in a plane crash off suburban Wilmette as four aircraft accidents in the Midwest yesterday claimed at least six known dead.

The plane which plummeted into the lake off Wilmette was a private two-seater. It was recovered, badly damaged, but no trace of the occupants could be found.

Two were killed in each of the other three crashes reported.

James Lawrence Valerius, 43, of Grafton, O., and Walter J. Beckman, 46, of Decatur, Ill., were killed instantly when their light plane

plunged into a lake near Angola, Ind. Witnesses said the plane was flying low when it crashed into the lake at Pokagon State Park and burst into flames.

Two other persons were killed at Dundee, Ill., when their light plane fell into Beverly Lake. They were identified as the pilot, Tim Kossak, 29, of Chicago, and his passenger, Edwin Figura, 24, also of Chicago.

Figura died at Sherman hospital in Elgin, Ill., shortly after the crash.

Two other men were killed in a plane crash near St. Louis. They were Warren Stark, 23, pilot and Frank Pellet, 21, both of Chesterfield, Mo.

Record Enrollment Starts Second Week At Y Camp Rentz

First Week Campers Stay For Second Week To Help Establish New Mark Of 93

YMCA Camp Fred L. Rentz began its second week of the regular camping season Sunday with a record enrollment of 93. This tops a high of 90 set last year.

Boys between the ages of 9 and 15 are in camp this week. The first week youths between the ages of 8 and 12 got their first experiences in camp life. Many of those boys like it so much that they wanted to stay for another week. That accounts for the establishment of the new mark in camp enrollment.

Extra tents and provisions had to be secured hurriedly during the latter part of last week to take care of the extra boys.

Camp Fire Saturday
First week activity was climaxed by a bon fire Saturday evening under the direction of camp director, Dave Gatrall and assistant Harold Pears. More than 150 parents and friends of the campers enjoyed the traditional campfire festivities.

Y camp emblems were awarded to 60 of the boys. These felt symbols are awarded according to the number of years a particular boy had attended.

Rev. Robert H. Mayo of the First U.P. church was the speaker at the Sunday afternoon vesper services that traditionally marks the beginning of a camp week. Rev. Mayo's topic was "Do Something for Others."

BREAK WINDOWS IN GARAGE
Ten panes of glass were broken at the Matheny and Allen garages in East Wallace avenue, according to a report received by police. Lieutenant Kennedy, police bureau, investigated the affair and located the boy who allegedly broke the glass.

STONE PILLARS BROKEN
Auto Forwarding company tractor-trailer broke two stone pillars on Public Square at 1:25 p. m. Saturday, according to Patrolman Rozzi's report to police headquarters. The damage is covered by insurance on the tractor-trailer, it was reported.

Cpl. Thomas Price Receives Discharge

Corporal Thomas Price, son of Mr. and Mrs. C. R. Price, of 517 Electric street, arrived home Sunday after having been honorably discharged from the army at Ft. Bliss, Texas.

Price enlisted in the regular army in August, 1946. Upon completion of his basic training, Cpl. Price was sent to Italy where he served for 14 months. He was awarded the ETO ribbon, Victory medal, and the American theater ribbon.

Upon his return from Italy he was home for a thirty day leave and returned to Fort Bragg, N. C. with the 82nd Airborne Division. There he went on maneuvers and was transferred to Ft. Bliss, Texas, where he completed his enlistment.

Cosmo Club Picnic
Crowd Braves Rain

Although the weather was not in accord, a few brave people attended the Cosmo club annual picnic, Sunday, at El Rio beach.

For those who were present, there were free rides, ice cream and other forms of entertainment. In spite of the rain, the kiddies found time and ways to amuse themselves.

Planning this seventeenth annual outing were: Al Caplan and George Abbott, the entertainment committee.

Senate Committee Approves Military Pay Increase Bill

WASHINGTON, July 18.—(INS)—The Senate armed services committee today approved the House-passed 302 million dollar military pay increase bill.

In a statement announcing committee approval, Chairman Tydings (D Md., said:

"It is doubtful if sufficient votes can be secured to pass the army pay bill unless savings to effect its increased costs result from other legislation now pending before Congress."

Tydings obviously was referring to the military unification bill previously passed by the Senate and shelved by the House military affairs committee.

Tydings has said he would not "press" for action on the pay bill on the Senate floor unless economy provisions of the unification bill are enacted into law.

Reorganization Plan Submitted

President Truman Sends Congress Plan To Give Johnson More Authority

DENIES PROPOSAL AIDS ONE-MAN RULE

WASHINGTON, July 19.—(INS)—President Truman submitted to Congress Monday a reorganization plan to give Defense Secretary Johnson greater authority over the Army, Navy and Air Force.

But Mr. Truman emphatically denied that the proposal would mean "the creation of one-man rule or dictatorship."

The chief executive told Congress that the plan would make "urgently needed changes" in the defense establishment. He declared he was taking the action because Congress has failed to pass legislation which would accomplish the changes.

The President supported a bill introduced by Sen. Tydings (D) Md., and approved by the Senate.

House action on the measure has been blocked by the House armed services committee, and committee chairman Vinson (D) Ga., has charged the measure would give Johnson "dictatorial powers."

Mr. Truman sharply criticized the House's failure to act. He said that the substitute measure now being considered by the House "deals with only the mechanics of finance and budgeting and does not deal with the many basic factors of managing the department."

He said: "I again urge the Congress to strengthen our national organization which is so vital to the security of this nation and the peace of the world."

Reorganization Plan
The President's reorganization plan would:

1. Change the national military establishment into the Department of Defense.
2. Give the secretary of Defense "authority, direction and control over the department."
3. Continue the departments of Army, Navy and Air Force as executive departments administered by their respective secretaries.
4. Continue the arrangement under which the secretary of Defense does not have the authority to change the statutory assignment of combatant functions, roles and missions of the Army, Navy and Air Force.

5. Create an office of deputy secretary of defense, replacing the present post of undersecretary, and create three assistant secretaries of Defense. It also provides for a chairman of the joint chiefs of staff.
6. Create a personal policy board on the same lines as the munitions board and a research and development board.
7. Remove "the onerous restrictions and limitations imposed on the secretary of Defense by the National Security Act which are inappropriate to his status as head of the Department of Defense."
8. Makes the secretary of Defense the "sole representative" of the Defense Department of the National Security Council.

Fireworks Impact Causes Fireworks

ST. LOUIS.—(INS)—A St. Louis tavern operator learned it's illegal to discharge fireworks—even in self-defense.

Joseph Messina told police he threw a firecracker out of his place to prevent it from exploding inside.

Unfortunately, Police Sgt. Emmett Hahn and Patrolman Charles Craft happened to be passing by and got the full force of the "salute."

A patron, Thomas Rosenbaum, 28, who admitted lighting the firecracker, was booked with Messina.

Catholic Clergy Shows Defiance

May Face Treason Charges From Czech Communist Government As Result

CLERGY PLEDGES BERAN ALLEGIANCE

By JOHN FISHER (N.S. Staff Correspondent)

PRAGUE, July 18.—Czechoslovakia's Communist government considered possible treason charges today against Roman Catholic leaders who united in defying state demands they desert the Vatican.

The Catholic clergy pledged their allegiance to Archbishop Josef Beran and the Catholic hierarchy in a proclamation read by the priests in a number of Czech churches.

The proclamation also denounced the Communist-sponsored "Catholic action" group because "it is impossible without the Bishops" and added:

"We now proclaim that we shall remain faithful whatever the consequences."

Open Defiance
The open defiance by the Catholic priests came in the face of an announcement made last Friday by Justice Minister Alexei Cepicka that attempts to enforce the papal communication decree will be treated by the state as "treason."

(Reports of Communist persecution of Catholic and Protestant church leaders in Soviet-occupied eastern Germany filtered into Berlin and it was said that 38 clergymen were under arrest.)

The papal decree excommunicated all Catholic Communists and Communist sympathizers.

The church statement was read in the name of Czechoslovakia's Catholic priests, many of whom the government tried to persuade or coerce into joining the "Catholic action," a church-condemned group by which the Communists have tried to circumvent the Czech Bishops' authority.

The government, however, claims it has strong support especially among the "lower clergy" and asserted it is pushing ahead with plans to bring the church under state jurisdiction.

Sun Glasses Are Factor In Safety

ATLANTIC CITY, N. J.—(INS)—Scientific research has established that unprotected exposure of the eyes to the summer sunlight reduces night driving visibility to a hazardous degree.

Harry H. Lyman, chairman of the standards committee of The Sun Glass Institute, declared at the Institute's 11th Annual Meeting.

"We have learned and the public should know, that there is more compelling reason for wearing sun glasses than merely for comfort and protection against glare. It's a matter of safety."

"Unshielded exposure to bright sun reduces the sensitivity of the eye to light with serious effects at twilight and at night. This was established in tests made during the war since reported in medical literature, and which are only now beginning to become general knowledge."

New York Sheriff Hunts For Monks

UTICA, N. Y.—(INS)—Oneida County deputy sheriffs are going monkey hunting and they are not going to the jungles to do it.

Sheriff William R. Williams of Utica is mobilizing his men for the hunt, which will take them to the northern section of the county.

Discovery that monkeys are on the loose in Central New York area was made by Deputy Sheriff Lee Northrup while driving his patrol car over a little used road near the Baron Steuben monument a few miles from the Village of Remsen.

He said a monkey ran across the road in front of his car and he had to slam on the brake to avoid hitting it.

Inquiry revealed that a cage full of monkeys escaped four years ago from the Mapledale Hotel, six miles from where the deputy sighted the animal and had never been recaptured.

German Natives Observe Fourth

MANSFIELD, O.—(INS)—More than 100 former German citizens will celebrate Independence Day, July 4th at the home of two "old country" nationals who came to the United States 20 years ago.

Mr. and Mrs. Frank R. Scheel of Mansfield are planning an all-out celebration.

Mrs. Scheel made her home with her aunt and uncle in Mansfield after she said goodbye to her friends in Hockenheim, Germany.

In September, 1936, she vowed in English to love, honor and obey Frank R. Scheel who had come from Stendale, Germany.

The Scheels saw their homeland in 1939 but were more than willing to make their return trip which proved to be more of an "escape" through Holland.

Legion Will Name World War II Vet

PHILADELPHIA, Pa.—(INS)—The American Legion will start a new era in its history by election for the first time a young veteran of World War II as its national commander at its Philadelphia convention Aug. 29 to Sept. 1.

There are only three announced candidates in the race to succeed retiring national commander Perry Brown of Beaumont, Texas, who served in both World wars. All three of the candidates are veterans of extensive and distinguished military service in World War II.

The three candidates, one of whom is almost certainly to be the next national commander of the American Legion, in alphabetic order, are:

Erie Cocke, Jr., 28, of Dawson, Ga., chairman of the National Security commission, a farmer and railroad executive.

George N. Craig, 39, of Brazil, Ind., member of the National executive committee, an attorney.

James F. Green, 33, of Omaha, Neb., chairman of the National Americanism commission, an attorney.

The election will take place at the closing session of the national convention on September 1.

Copy Cleveland Store In Milan

CLEVELAND.—(INS)—An almost exact replica of the six and a half million dollar store now nearing completion in Cleveland soon will be erected in Milan, Italy.

The copy will be constructed by La Rincante-Upim, a large European store chain of six department stores and approximately 50 smaller shops of the "dime store" variety.

The decision to duplicate the Lindner store came after two months of study of modern American store design by Dr. Giorgio Brustio, administrative manager of La Rincante-Upim, and Dr. Carlo Pagani, a noted Italian architect and editor of Domus, the foreign counterpart of Architectural Forum magazine.

This is the first charter granted to the New Castle council under a new plan whereby charters are issued in recognition of yearly achievement. According to Senior, Intermediate and Brownie volume of membership, the number of volunteer leaders, and the number of troops, as well as the quality of the program for the girls, comprise the basis on which charters are granted.

Council Praised

In a letter accompanying the charter Mrs. C. Vaughan Ferguson, Girl Scout national president, congratulated the New Castle council for its work of the previous year and stated that the charter has been granted on the basis of the council's annual report and its accomplishments during the year.

Mrs. Ferguson pointed out that Girl Scouting is a nation-wide and world-wide youth movement with great potential power for the strengthening of democracy. She stated that the good work done locally by the council determines the national and international value of scouting, and said she hoped that before long it would be possible for any girl, in any part of the country, to be a Girl Scout if she so desired.

The recommended overall objective of the Girl Scouts is the United States of America for adoption in Milwaukee, November next, is "to further a voluntary partnership of girls and adults toward a stronger development of the spiritual values of the Girl Scout; way of life as a bulwark for democracy." To carry out this objective, the following are recommended emphases:

1. Better Girl Scouting for more girls, stressing the idea of partnership between girls and adults.
2. Further development of international friendship.
3. More and better camping.

SIXTEEN
Court House
**One Week Left
For Petitions**

Candidates Have Until Close
Of Business Monday July
25 To File

**OTHER EVENTS
IN COURT HOUSE**

Prospective candidates for party nomination have one week left in which to file their petitions. The last day to file is Monday, July 25, at the close of business in the court house, which is 4 o'clock Eastern Daylight Saving Time. Thus far there has been a trickle of petitions but the flood will come late this week it is anticipated. Not in the major offices but in such offices as election officials, assessors, burgess, tax collectors and the like. The indications as of now are that the primary election will be fairly quiet in each of the major parties, Republican and Democratic. Most of them will be two candidate affairs, especially upon the Republican ticket. Upon the Democratic ticket it will be mostly a one candidate affair. On the Republican ticket there are two candidates for the district attorney nomination, Democratic, one. For sheriff, Republican, two candidates, Democratic one. For register and recorder, Republican, two candidates, Democratic, one. For city council, two places, Republican ticket, five candidates, Democratic one but probably two. For school board, three full terms and one two-year term to fill. Indefinite as yet with the probabilities that both party tickets will have women candidates. For city controller, Republican, two candidates, Democratic, one. The strategy of the Democratic party seems to be to fill the ticket in the primary with only one candidate for each place and then present a solid front in the fall.

**Demands Probe Of
Fat Legal Fees For
Former U.S. Officials**

Seven Men Are Named Who Are
Charged With Carrying On
Such Activities

WASHINGTON, July 18.—(INS)—Sen. Butler (R) Neb., has demanded an investigation into reports that "fat legal fees" are being paid to ex-government officials who now practice law before agencies they once headed. Butler, in a statement placed in the Congressional Record, named seven men who he said are now carrying on such activities. He declared that "there are plenty of other rumors circulating about Washington that certainly deserve a thorough airing." The Nebraska asserted that he favored approval of a stipulation to prevent "men high in government posts from resigning one day and the next day starting to practice law, influence or whatever, in the agencies from which they resigned."

He said this "may be legal, but it is certainly questionable." The seven former federal officials named by Butler were: Charles R. Denny, former federal communications commission chairman; James M. Landis, former civil aeronautics board chairman; Thurman Arnold, former head of the justice department's anti-trust division; Abe Fortas, former interior undersecretary; Paul Porter, another former FCC chairman; Joseph Nunan, former internal revenue commissioner; and James Markham, former alien property custodian.

**Coal Production
Greatly Reduced**

WASHINGTON, July 17.—The National Coal Association estimated bituminous production was 4,880,000 tons last week, the first of the three day work weeks imposed by John L. Lewis. This is less than half the production for a normal week. Production in the corresponding week a year ago was 9,841,000 tons, but this was not a normal period because of the July 4 holiday. Production in the week ended June 25 this year was 11,850,000 tons. Then the union miners went on their annual paid vacation and bituminous production in the week ended July 2 was only 1,360,000 tons.

**NATIONALISTS LOSE
OVER FIVE MILLION
DURING CHINA WAR**

TOKYO, July 18.—(INS)—Chinese Communists claimed today that the Nationalists have lost 5,691,000 men in three years of civil war. The Peiping radio admitted the loss of 1,432,000 Communist troops. The broadcast, heard in Tokyo, said that only 27 per cent of the Nationalist losses were actual casualties, asserting that 61 per cent were captured and 12 per cent deserted to the Communists. The Communists also claimed control of more than 30 per cent of Chinese territory, 58 per cent of the population, 52 per cent of all cities and towns and more than 80 per cent of the rail system.

SCOTT'S SCRAP BOOK

Around Hollywood

By FRANK NEILL
(International News Service Staff Correspondent)

HOLLYWOOD, July 18.—Billy the Kid, one of the old west's most notorious killers, was supposed to have been shot dead by Sheriff Pat Garrett 68 years ago this week. But Hollywood movie researchers today flung a dab of doubt on the words of historians.

A band of researchers from Universal-International studios have back to movietown from New Mexico where they probed the brief but explosive career of Billy.

Is Still Alive?
The pundits report that a legend persists—and not without some foundation—that the Kid is still living and kicking today.

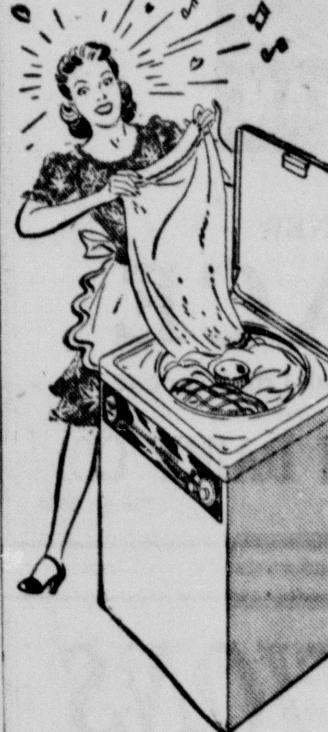

The investigators went to New Mexico to compile data for a semi-documentary film, "The Kid from Texas," in which war hero Audie Murphy portrays the role of Billy the Kid.

Natives of the area kept pitching the point that the Kid was only wounded by Garrett and that he now lives, at the age of 89, in Mexico.

George Berthelon, boss of the movie research outfit, posed these questions: "Why didn't the village carpenter or undertaker at Fort Sumner N. M., build Billy's coffin?"

This is it!

**Former Captive
Boy Placed In
Care Of Bureau**

BOSTON, July 18.—(INS)—Gerald Sullivan, the 13-year-old former "captive boy," was placed in the care of the Catholic Charitable bureau.

The boy's mother, Mrs. Anna Sullivan, 45, who has appealed a sentence to the Women's Reformatory at Framingham following her conviction on a charge of neglect, signed the consent papers.

Gerald, who had been kept a virtual prisoner most of his life, was taken from the care of a non-sectarian society home two weeks ago when friends of Mrs. Sullivan raised \$10,000 bail.

The mother made an effort to become reconciled with the boy, but he said he did not want to go back to her.

The papers giving the mother's consent to turn Gerald over to the legal guardianship of the bureau will be filed in Suffolk probate court Monday.

**Civil Air Patrol
Will Meet Tuesday**

Civil air patrol will meet Tuesday evening at Cunningham armory at 7:30.

It is an open meeting and any person interested in joining the volunteer reserve corps of the U. S. AAF should attend the meeting. A recruit drive will be discussed.

at the meeting. According to group headquarters in Pittsburgh, squadron 68 will soon be able to recruit any persons, male or female, between the ages of 15 and 55 years.

The drive is being processed under plans and training headed by Lt. E. J. Long and Lt. Al Slaman, who visited headquarters at Hunt army in Pittsburgh, according to J. J. Dachko, commanding officer of squadron 68.

Previous military experience is not necessary to join the reserve unit.

**Laurel Avenue
Has Sports Day**

Youthful sports enthusiasts were out in numbers at Laurel playground on Friday as the youngsters participated in their annual Sports Day activities.

Heading the male contingent was Dave Heller, who placed first in five of the 15 boys' events which included such "muscle strainers" as the "push-up" contest and one-legged race.

Henry Jacobs captured second place with another high point total while John Womer and Newt Campbell tied for third.

Among the girls, Jean Lose captured top honors after a series of competitive events including hop scotch, rope jumping, jacks, checkers and pick-up-sticks. Donna Cockran was a close second and third place fell to Tessa Palmer.

The older group spent the afternoon on a scavenger hunt climaxed by a volleyball match. Acting as officials for the various contests were Raymond Fabian and Jim Morrow.

City Hall

Council Acts
On Proposals

Numerous Matters Come Before Solons For Action At Monday Session

PROBE REPORT OF
SEWER CONNECTIONS

Council convened Monday in city hall, where Councilman James Gibson introduced an ordinance which provides for the construction of a storm sewer in an alley in the rear of Lutton Street between William and Hazen Streets to curb a water nuisance. Plans and specifications were also approved for a storm sewer in Madison Avenue between Cedar and Liberty Streets.

Acting upon a motion by Councilman Gibson, Director Alexander, purchasing agent, was authorized to purchase four new tubes and tires for a street department high-lift, at a cost of \$354.80.

Director Alexander reported to colleagues that prior to new sidewalks being laid alongside the new city building, it would be necessary to remove a Grant Street tree, because of its roots. Plans and specifications for the sidewalks were approved.

Director Alexander said he saw no reason why the request of Mooney Bros., per permission to install a sewer and grade a plot in Warren avenue between Stanton avenue and Cascade street, should not be granted. Accordingly, Councilman Gibson presented the motion which was seconded by Director Davis and, passed unanimously. Mooney Bros. propose to develop the area into a residential section. The company will pay for the improvement.

Believing that some properties in Neshannock township have sanitary sewers connected with the North Mercer street, Euclid avenue and Wilmington avenue storm sewer which flows into the She-

nango river, Solicitor Robert White advised council today to notify plumbers who made any such connections to report to the city, otherwise after a city inquiry, their permits will be revoked. Solicitor White said the flow of a sanitary sewer into a storm sewer is a violation of law.

According to a resolution passed by council, the state highway department will be asked by the city for permission to erect a manually-operated traffic overhead signal at the Johnson Bronze company in South Mill street. Such will permit the proper flow of traffic from the industry through South Mill street.

Councilman Gibson introduced an ordinance which prohibits vehicles from carrying more than 14,000 pounds gross, in Neshannock avenue and Rural avenue between North street and Park avenue. After the ordinance is adopted, a violator, when apprehended by police will be fined \$100, in default of which he may be committed to jail.

Amateur Show At
Laurel Avenue

All-Star talent featured the weekly amateur show at the Laurel Playground as director, Joan Palmer, turned out another highly successful program.

As a beginning, Sally Barnes and Carol Clark did a "black-face" minstrel skit. The spot-light then was turned on Tessie Palmer, who sang a solo, and Norma Pascarella who did another humorous skit.

Following Judy Menagh's song, David Matthews told the story of "Bambi," and Dennis Earl supplied the lyrics to "I Want a Little Turtle."

Carolyn Moss did a ballet dance, and twirled a baton, and Larry Croll sang the old favorite, "Home on the Range." The finale featured Janice DeVivo in several Spanish dances. The entertainment closed with group singing lead by mistress of ceremonies, Joan Palmer.

Holy Name To
Plan Festival

Holy Name society officers of St. Vitus church met recently and planned for a festival, August 15-16, honoring the Assumption of the Blessed Virgin Mary.

The affair will be held in South Jefferson street. William Ross is the chairman and the treasurer is Louis Taylor. Arrangements thus far include, a color fireworks display, gay street dancing and a band concert. Future plans will be made.

Management Committee Of Branch YMCA To Sponsor Formal Welcome For G. A. Terry Jr.

The committee of management of the Shenango street YMCA will hold a reception for Gilbert A. Terry Jr., new YMCA secretary, Tuesday, July 19, 8:00 p. m. at the Shenango street branch.

Mr. Terry, a recent arrival in New Castle, has already started to organize activities at the Shenango street branch and the committee of management has voiced pleasure in the way that this young man has launched into the branch program.

The members of the planning committee of this affair ask that all former members, members and their wives come out to welcome the new executive to New Castle. Members of the planning committee are Jerome Cooper, chairman; William Wooten, William Turner, Dr. James A. Gillespie, Raymond Williams, Earl Webber, and Mr. Harry Carter.

State V.F.W. Backs
Bonus Proposal

HARRISBURG, July 18.—(INS)—The Pennsylvania Veterans of Foreign Wars today backed up its support of the proposed bonus for the state's ex-servicemen with an analysis of the ways the money probably will be spent.

Commander G. Lynn Brotherson, of Erie, said early replies to the 200,000 questionnaires mailed by the VFW indicated home building, debt settlement and easing mortgage payments would have top priorities if the electorate approves the \$500,000,000 bonus program in conjunction with the November 8 elections.

Brotherson said approval of the bonus would stimulate business in what he called a "downward spiraling economy."

A majority of the state's electorate is needed to sanction the bonus.

New Jet Aircraft
Shown By Russia

Annual Air Force Show Is Given By Russia, Shows Large Display

MOSCOW, July 18.—(INS)—Soviet Russia has unveiled some new jet aircraft in its annual air force show before Premier Stalin and more than a million cheering spectators in Moscow.

The Muscovites applauded Stalin as he entered a special government box and watched the display yesterday which began with a formation of aircraft flying over Tushino field spelling out the words "Glory to Stalin."

This formation was followed by a single plane carrying a huge portrait of the marshal.

Later Lt. Gen. Vassily Stalin, the premier's son, led air force jet planes across the airfield in battle formation. Gen. Stalin was put in charge of the annual show by his father.

The Soviet air force's latest types of bombers and fighters staged a mock battle over the field and the show wound up with 400 paratroopers dropping to the center of the air field in multi-colored parachutes.

London, July 18.—The London Daily Graphic reported today that foreign observers in Moscow were highly impressed by the large numbers of jet planes participating in Russia's air force show.

American Girl To
Seek New Record
In Channel Swim

SOMERSET, Mass., July 18.—(INS)—A high school girl sophomore who hopes to break the English Channel swimming record of Gertrude Ederle will leave for England Friday.

Shirley May France, 16 youngest girl ever to announce her intention of braving the 17.8 mile channel swim, said today she will leave for New York Wednesday. She expects to sail two days later on the Nieuw Amsterdam.

Shirley is trying the crossing to make money. She says she would like to buy a new home for her parents, Mr. and Mrs. Walter France, and send her two sisters and brothers to college.

Four Have Perfect
Hands In Bridge

NEWPORT NEWS, Va., July 18.—(INS)—A Philadelphia school teacher's perfect bridge hand and proved worthless to her in a game played in nearby Hilton village.

Three other players also had perfect hands.

Experts say the chances of a perfect bridge hand as held by Miss Helen Riddell of Philadelphia are one in 515,829,600. But for four perfect hands the chances jump to one in 158,753,389,899.

Miss Riddell's perfect hand was 13 diamonds, Mrs. William Fankner held clubs, Mrs. Robert Bienen held spades and Mrs. William Horn, hearts.

Young Man Held
For Rape-Murder
Of Elderly Woman

ROCHESTER, N. Y., July 18.—(INS)—William Draper, 29-year-old World War II Veteran, was charged today with the rape murder of a 73-year-old woman in the suburban town of Greece.

Monroe County Sheriff Albert W. Skinner said Draper, father of three young children, confessed attacking and fatally beating Mrs. Jennie O'Keefe, mother of a Rochester policeman, after he escorted her from a local grill Saturday night.

The break in the case came when Draper's bill-fold was found with parts of Mrs. O'Keefe's clothing.

Men And Woman

Robert Pullman, 29, of Dushane street, was robbed of \$135, by two men and a woman in Sampson street, near the Bowman Motor Freight station, at 11:05 p. m. Saturday, police report.

Pullman left a beverage parlor in East Long avenue. Two men, in an auto yelled to him and said the would take him home. He got in the car.

Instead of taking him home they drove out Sampson street, where the three got out of the car. The two men began beating him. A blonde-haired woman who arrived on the scene encouraged his assailants.

Pullman fought back but one of the men got his wallet while he was down. However, he had put his money in a short pocket and believed it safe. However, when he looked for it, it was gone.

During the fight, Pullman threw a rock which broke a window in a car which he said was either a Chevrolet or an Olds.

FOSTER AMERICANISM

CHESTER, Pa., July 18.—(INS)—A new organization is planning to offer prizes to individuals who further "the American way of life."

"Freedom Foundation," composed of industrial and professional men, plans to give 161 awards annually, totaling at least \$62,000, a spokesman announced.

The new organization has made its headquarters near Valley Forge.

LEAVES ESTATE
PHILADELPHIA, July 18.—(INS)—The late Rufus Jones, a Quaker educator, left an estate worth \$126,468, it was announced recently.

The bulk of the trust was awarded to his wife and daughters while \$5,000 was given to Haverford college where Dr. Jones once taught.

Dr. Jones, who was honorary chairman of the American Friends Service committee, died last year.

General jurisdiction in trademark cases is given to the federal courts.

Non-Beaver Falls
Jury To Be Called
In Coroner's Probe

BEAVER FALLS, Pa., July 18.—(INS)—Acting Coroner Margaret Sanders said today a non-Beaver Falls jury would be drafted for the Sebastian Medaglia inquest in Beaver Falls tomorrow night.

Medaglia, 29, of Beaver Falls died Tuesday after an alleged scuffle with rooming policeman Robert E. Thatcher the night of July 8.

Mrs. Sanders said she wants a "blue ribbon jury" from outside Beaver Falls because there is "so much sentiment" about the case. In the absence of her sick father, John M. Davis, she will preside at the inquest.

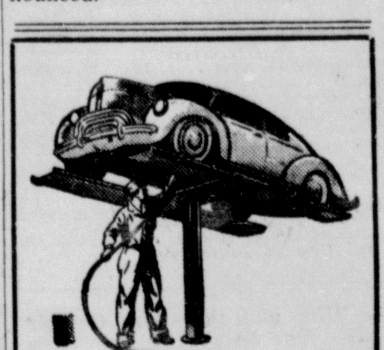

Patrolman Thatcher arrested Medaglia July 8 on charges of traffic violation and disorderly conduct.

Vacancies Remain
In Navy Program

There are a limited number of vacancies in the regular Navy for the remainder of the month, Chief S. E. Bond, of the naval recruiting office, announces.

Vacancies exist for high school graduates and non-graduates. Electronic field program, under the high school graduate program, offers seven schools for those passing required tests.

There are a limited number of vacancies for aviation and plain recruits for graduates and non-graduates. All seamen can compete for any naval school while at Great Lakes training center, it is announced.

Frank Wagner Notches Victory Number Twelve

Frank Wagner the veteran Mid-Atlantic league hurler pitched a superb game Saturday night, as he set the Johnstown Johnnies, the league leaders down with five hits, and fanned nine men, as the Nats won 7 to 2. It was his twelfth victory.

Rain Sunday washed the New Castle-Johnstown game out. Tonight the Erie Sailors will open a two-game series here, the game starting at 8 o'clock.

Manager Billy Mongiello has nominated Herb Churchill to do the chucking, against the Erie Sailors tonight.

New Castle played fine ball Saturday back of Wagner, having one error, a harmless one by Herbie Tufts.

Two Home Run Balls
Wagner served up two home run balls for the only runs that he allowed, one by Beran in the eighth and one by Umstead in the ninth inning. Wagner had a nice breaking curve working Saturday. In three innings the Johnnies went down in order.

Gene Bilo led the Nats at bat with two hits, a double and triple. Reed Maier and Herbie Tufts drove in two runs each.

Three In Sixth
New Castle bunched three hits in the sixth inning for three runs and put the game on "ice". Kiel led off with a single, Karakul singled and Kiel scored from second; Tufts hit a double and Torrey scored. Gipp laid down a neat sacrifice and Mongiello scored. Wagner ended the inning by flying out to right.
Wagner gave up but two hits over the first seven innings.
New Castle scored one in the second, one in the third, one in

LOCAL "MALE" FISHERMEN had better look to their laurels. Mrs. J. C. Dolby of Wilmington avenue extension, will give most fishermen a race in their favorite sport. She enjoys her fishing every other day and on the alternate days she catches her own bait, going as far as 30 miles away just to be sure of getting the kind of crab that she favors. Since the season opened Mrs. Dolby has caught 54 bass and over a hundred rock bass and a couple of "sheepheads". In the above picture are seen (five on right) bass and (left) rock bass. The empty hook was her largest fish which she gave away just after she caught it. Mrs. Dolby is also proud of her granddaughter's ability. The granddaughter, eleven-year-old Peggy McKinley, caught four bass and one sheephead on her last trip. One of the bass weighed seven pounds. Secret of her success as a fisherman, according to Mrs. Dolby, is the right kind of bait and to one side she whispers, "spit on it".

Pirates And Tigers Roll In High Gear

By LES CONKLIN
(N. S. staff correspondent)

NEW YORK, July 18.—Pittsburgh and Detroit, the two dark horses in the major league pennant races, are rolling along in high gear today.

The Pirates, who went into a tailspin on their last eastern tour but are doing a little bit better than all right on their current invasion of the Atlantic seaboard, got lucky yesterday. They barely managed to get in five innings of play to shade the Phillies, 2 to 1, before a downpour ended activities for the day. Cliff Chambers won the decision over Russ Meyer by helping himself to a triple.

Tigers Win Two
Detroit was the only leading contender to gain ground in the American league race. The Tigers downed the Philadelphia Athletics twice, 8 to 0 and 5 to 4.

In the opener, Ted Gray of the Bengals held the A's to three hits and walked in with the aid of a grand-slam homer by Paul Campbell and a three-run circuit cloud by Aaron Robinson. Then Campbell knocked in the winning tally in the 11th inning of the nightcap.

Sox-Yanks Split
Joe DiMaggio, with a single and a homer, sparked the league-leading New York Yankees to a 2 to 1 decision over the Chicago White Sox. Vic Raschi, the winning pitcher in the majors, outpointed Randy Gumpert, former Yankees, for his 14th triumph of the year in the second game, the Sox collected 14 hits and trounced the New Yorkers 7 to 3.

Cleveland's Early Wynn stretched his record to seven wins against only one defeat by downing the Boston Red Sox 4 to 2. The big pitcher won his own game with a home run.

In the nightcap, Boston won 2 to 1 on a four-hitter by rookie Chuck Stobbs. A homer by Buster Stephens, his second of the day, broke up the game in the ninth inning.

Brown Wins Two
The St. Louis Browns walloped Washington twice, 15 to 8 and 7 to 4. Brooklyn nosed out the Chicago Cubs, 4 to 3, on late homers by Roy Campanella and Luis Olmo off Johnny Schmitz. The nightcap was washed out.

The second game between the St. Louis Cardinals and the New York Yankees also was rained out after big George Munger tamed the New Yorkers 10 to 1.

A ninth-inning single by Ed Sauer enabled the Boston Braves to nip Cincinnati, 5 to 4, but the Reds took the nightcap, 3 to 2.

New Castle Meets New Wilmington In Legion Finals

First Game Of Series For County Representative Tuesday Evening

New Castle and New Wilmington American Legion baseball teams begin play in the final three-game series in the Lawrence county tournament Tuesday evening.

First game of the series will be played at New Wilmington at 8:15. New Castle entered the final round of the tournament by defeating Ellwood City and drawing a bye. New Wilmington knocked off Bessemer and Wampum to enter the finals.

Winner of the New Castle-New Wilmington series will represent Lawrence county in the tournament with Butler and Beaver counties. Winners of this tournament will enter the state tournament.

All indications point to a terrific series between the two county teams. Both teams have received great pitching in the tournament; games to date and if they keep it up some great battles are in prospect.

Orlando and Gurgio have done great pitching for New Castle in the two games played. Both hurled three hitters against Ellwood City, with Orlando striking out 15 in his game.

Wayne Hutchinson, Yarietts and Boyd have done the pitching for New Wilmington in the tournament so far.

Yarietts shut Bessemer out on three hits in the second game of that series and came back in the final game of the Wampum series to pitch a three-hitter to win 3 to 2. Hutchinson won the first game of the Bessemer series, 6 to 2, with a sit-hitter and lost the second game of the Wampum series 6 to 4. Boyd pitched and won the first game of the Wampum series 3 to 4.

County Loop Card Washed Out Sunday

All action in the Lawrence County Baseball league was postponed Sunday due to the inclement weather.

Many teams will play one or two postponed games this week in addition to the regular schedule. Bessemer initiates league action by playing host to New Galliee on Tuesday.

Regular Wednesday schedule finds Lowellville at New Galliee, Bessemer at St. Lucy, Koppel at Ellwood VFW and Hillsville at Wampum.

The fight for the three playoff berths behind Wampum is very close at this point of the season and with only ten more regularly scheduled games on the docket, there will be some real battles from here on in.

Only New Galliee and St. Lucy may be safely written off as teams that won't make the playoffs but these two clubs can also do plenty to the contenders.

Softball Meeting Tuesday Evening

There will be a softball league meeting at the Y Tuesday evening at 8 o'clock for the purpose of settling some differences.

The following are asked to be present: Fred Marcella, Tip Richards, Ed Nahas, Angie Giancola, Mike Kulich, Peachy Fornataro, Jimmy Valentino, Len Turco, and Tuffy Copple. No others will be allowed to enter the meeting.

All teams are asked to play off their postponed games as soon as possible.

Ryantown Vs. Unions At Scotland Lane

Ryantown and Union Civics of the City Baseball league will clash at 6 o'clock today at Scotland Lane according to Andrew Cline, business manager of Ryantown.

Softball All-Stars Play Moose Tonight

The city softball league All-Stars will play the league leading Moose Club at Gaston Park tonight at 6 o'clock (weather permitting). This will be a nine-inning game.

The softball All Stars are the cream of the crop here in New Castle. The players were selected by the softball umpires at a recent meeting. Peach Fornataro will manage the All-Stars. He is the manager of the Shadyside team. Quinto and Russo will act as the coaches.

Manager Jimmy Valentino has brought his team along this year as champions with a record of 25 wins and two defeats in league competition. Most of the credit is due to Roger Maggie, and Russ Headland the Moose star hurlers.

The Moose hitting stars are Sam Mooney, Naples, Nuzzo, Tuscano and De Vito.

The All-Stars will lineup at the start as follows: Richards, DeCarbos, left field; Calazza, DeCarbos, in center field; Torrello, Pearsons, in right field; Pappas, Pearsons, at third base; Fannin, Shamrocks, at short-stop; Chipiano, DeCarbos, at second base; Joe Mazzeri, Shadyside, at first-base; DeMuccio, DeCarbos, catcher; and Dusty Rhodes or Dinks Lane pitching.

The Moose will lineup as follows: Tuscano in left, Maraldi in center, Nuzzo in right, Naples at third, Mooney at short, DeVitto at second, DeJoseph at first, Pia tatch and Roger Maggie pitching.

The All-Star subs will be: Hawkins, Shamrocks; E. Vargo, Blackhaws; Temparato, Pearsons; J. Vargo, Blackhaws; Red Ross, DeCarbos; Miller, Shamrocks; Doran, Shamrocks; Fontinello, Shadyside; Joe Cooper, Blackhaws; Zubie, PRR, Greg Ross, Blackhaws; and Butler, National Guards.

The umpires will be Benegasi back of the plate, S. Copple at first, Cioffi at third. Len Turco is an alternate umpire.

BRENT WINS GAME
Brent defeated Castilewood in a North County league game Friday 8 to 3.

Five City League Games Tuesday

Five games will be played by City league baseball teams at six o'clock Tuesday. The schedule follows: Ryantown at Lawrence Indies; Universal at Ecclesian; St. Margaret at West Pittsburgh; Union Civics at Frank's Grille; and Croton A. C. at Dewey A. C.

The game originally scheduled for next Sunday between Ryantown and Union Civics will be played at Scotland Lane field.

Curt Simmons Relief Hurler

Heralded Philly Pitcher
Relegated To Bullpen,
Blows Up In Late
Innings

PHILADELPHIA, July 18.—(INS) — Baseball's controversial bonus rule boomeranged on young Curt Simmons today and relegated the Phillies' \$65,000 "Blue Ribbon" southpaw, heralded as a modern Herb Pennock, to relief roles.

The expensive 20-year-old hurler, baseball's highest priced bonus player when he was signed in 1947, was demoted to bullpen chores by Manager Eddie Sawyer because of a tendency to blow up in the late innings.

Just Inexperienced
Sawyers and pitching Coach

George Earnshaw, one-time great Athletics' hurler, said Simmons probably will remain a reliever until the kid hurler "wins a battle with himself" and overcomes a "defeatist complex" developed while absorbing repeated thumpings learning to pitch the hard way.

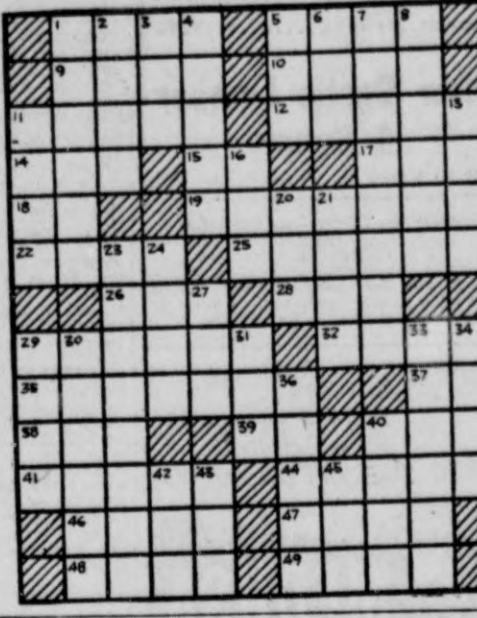

Both Sawyer and Earnshaw emphasized, however, that relegation of their high-priced rookie left-hander to relief roles wasn't to be construed as punishment nor an indication that the Phillies have given up on the promising, but inexperienced-plagued youngster.

Ezzard Charles says he doesn't feel any different now as heavy-weight champion than he did before his fight with Jersey Joe Walcott, but thinks maybe he'd "feel different if I had won three or four million."

For the first time in many, many years the Phillies are a definite pennant threat. The young players handled by Sawyer are giving their understanding manager everything they have and enjoy playing under his direction.

SNEAD SHOULD WIN DAPPER DAN TOURNEY

PITTSBURGH, July 18.—(INS) — A confident Sammy Snead led a field of 64 into the final round of the \$16,500 Dapper Dan invitation golf tournament at Alcoma Country club today.

The smiling West Virginian, who had been a tremendous gallery favorite, held a five-stroke lead over Lloyd Mangrum of Chicago as the tourney resumed over rain-swept fairways left loggy by yesterday's steady drizzle.

Slammin' Sammy at the completion of 54 holes had a 13 under par 203 when rain forced a postponement.

See Triumph For Sen. Taft

Political Experts Regard
Victory Of Taft As Im-
portant Gain

OTHER NEWS OF NATIONAL AFFAIRS

(Special to Central Press)
WASHINGTON, July 18—Political experts regard the decisive victory of Senate Republican Policy Leader Bob Taft in forcing substitution of his own labor bill for the administration measure in the upper chamber as an important triumph.

The politicians feel that the Ohioan has won a preliminary round in his struggle not only for his own re-election next year but for the GOP presidential nomination in 1952.

Rep. Clarence Brown (R) Ohio, who managed Taft's ill-fated drive for the nomination in 1948, already is marshaling his forces for the coming contests.

In the 1950 senatorial race Taft will campaign on his record and on the issues, and even though he faces the formidable opposition of organized labor, his chances as of this moment appear bright.

Even his opponents concede that if he wins re-election, Taft will stand out as one of the strongest figures in the political arena and that he would be a hard man to beat for the presidency.

DEMOCRATIC VIEW
Administration leaders are frankly perturbed about their chances of "getting rid of Taft" in next year's Ohio election.

Main problem confronting the Democrats is finding a sufficiently magnetic candidate to pit against Buckeye Bob in the Senate race.

The problem became acute when Ohio's Democratic Governor Frank Lausche, who had been counted on to make the race against Taft, hinted that he was not interested.

Democrats will put plenty of pressure on Lausche in an attempt to persuade him to change his mind. Aside from the governor, the Democrats haven't anyone in sight who could match Taft's strength at the polls.

The Ohio campaign is a crucial one for the Democrats. If they are to remain in power, they must unseat Taft—the man who torpedoed President Truman's most fervent campaign pledge, a promise to see that the Taft-Hartley law was repealed.

LATINS DISAPPOINTED
President Truman's promise to aid the underdeveloped areas of the world through a "bold new program" of American assistance may be disappointing—particularly in Latin America.

The nations "south of the border" jumped quickly at the chance to seize United States assistance—but they leaped before they looked.

These nations failed to realize

that the program calls only for technical assistance in aiding them to develop themselves. They must get the capital where they can, and that is not easy.

There is going to be great disappointment in Latin America when our southern neighbors realize that vast sums of United States government money won't be poured into their hands.

AH-CHOO!
Monsanto Chemical company, which for some time operated the Atomic Energy commission's huge plant at Oak Ridge, Tenn., is busy with a new project—taking the sneeze out of ragweed.

Monsanto officials say many of the eight million Americans who sniffle, gasp and wheeze through the hay fever season can cut their handkerchief budgets in half in the future.

The company claims the hay fever sufferer's friend in need is a preparation called antihistamines—a combination of drugs which will neutralize the effects of histamine, which is present in most body tissues.

Scientists now believe that irritated mucous tissues release histamine, causing the distress that goes with hay fever.

Nobody, so far, is exactly certain how antihistamines work, they just do. Monsanto turns out basic chemicals for laboratory research work in the field. The company promises that bigger and better antihistamines are in the making.

Dominic Scocchera Arrives In Japan

Private Dominic N. Scocchera, son of Mr. and Mrs. Peter Carideo, Hillsville, recently arrived at Yokohama, Japan, and has been assigned to duty with Company "A," Eighth Cavalry Regiment, First Cavalry Division, which is on occupational duty in the ten densely populated prefectures of the Tokyo-Yokohama area.

Prior to enlistment in the military service, Private Scocchera was a student of the Bessemer High school in Bessemer, Pa. Enlisting for military service on January 10, 1949, Scocchera underwent basic training at Fort Knox, Ky.
